Don’t mess with Texas — join us for ACFAS 2022

Learn about the latest advances in foot and ankle surgery, with the most advanced curriculum in the profession.
Connect and collaborate with fellow surgeons who experience similar issues in the workplace.
Join the highest “repeat attendance” of any podiatric conference.
Reignite your passion and leave feeling inspired and energized.

Where else can you find . . .
- 26 CE Contact Hours (up to 34 including pre-conference workshops)
- Cutting edge clinical topics
- The most trusted and respected speakers
- Hands-on cadaver workshops
- Award-winning research presented in manuscripts and over 300 scientific posters
- PICA session—attend and be eligible for 15% premium discount
- More than 140 exhibitor companies

Come together and join your peers in Austin!

Join ACFAS in a capital city. Whether you come for the captivating sessions, hands-on workshops, or to reconnect with colleagues, ACFAS offers four days of learning as unique and as vibrant as the city of Austin itself!

**Getting There**
There are numerous daily flights in and out of Austin. The Austin-Bergstrom International Airport is a 20-minute taxi ride to the hotel. Uber and Lyft are $18-$25, or taxi fare is approximately $30.

**Hotel Information**
Book your hotel room at onPeak, our official housing partner, through the ACFAS website at [acfas.org/Austin](http://acfas.org/Austin). Make your reservation online, call (800) 950-5542 or e-mail acfas@onpeak.com.

**What to Wear**
Business casual attire is ideal for ACFAS events. Average February highs are at 60-70 degrees and average lows are 40-50 degrees.
Thursday, February 24
12:30–2:00 pm*

Poster Grand Rounds—Meet Scientific Poster Authors
Don’t miss the profession’s largest scientific poster display with award-winning research studies from around the world. Authors are encouraged to be at their display to answer questions.

*New this year! Scientific Committee Choice Award
Scientific poster presenters are invited to present their posters to the Annual Scientific Committee and vie for the Scientific Committee Choice Award to be announced during the honors and awards ceremony.

5:15–6:15 pm

Resident and Student Networking at the Hilton Austin (by invitation)
Sponsored in part by ABFAS
Just for invited residents and students. You’ll meet with ACFAS and ABFAS Board members and also meet your new professional peers. Don’t miss the great food, beverages, and prize drawings.

6:15–7:30 pm

The Premier Connection—Opening Event at the Hilton Austin
Sponsored in part by In2Bones
Relax and reconnect with your colleagues before heading out to dinner. Meet and greet classmates, colleagues, and new friends, while enjoying an assortment of great food, beverages, and music.

Friday, February 25
12:00 Noon–1:00 pm

ACFAS Honors and Awards Ceremony
Congratulate your colleagues who win Manuscript, Poster, Honor, and Merit Awards. The year’s best research will be recognized. In addition, new Fellows will be presented their College keys and the 2022/23 Board of Directors will be introduced.

1:00–2:00 pm

Poster Grand Rounds—Meet Scientific Poster Authors
Don’t miss the profession’s largest scientific poster display with award-winning research studies from around the world. Authors are encouraged to be at their display to answer questions.

Saturday, February 26
6:30–7:30 am

Fellowship Breakfast Fair
Are you interested in learning more about the more than 50 fellowship programs holding ACFAS status? ACFAS invites you to the Annual Fellowship Breakfast Fair. Stop in, grab a coffee, and chat with various fellowship programs.

7:00 pm

Wrap Party at Lustre Pearl
Join us to close out ACFAS 2022 in style at the Lustre Pearl, one of Austin’s most popular musical venues. Celebrate with your fellow colleagues for one last evening in the Lone Star State.

Throughout the Conference

Eighth Annual ACFAS Job Fair
Stop by the annual ACFAS Job Fair in booth #1107 of the ACFAS 2022 Exhibit Hall to post your CV or an open position! Hosted by PodiatryCareers.org, the Job Fair invites available candidates to post their CVs on the Job Fair bulletin boards and employers to post descriptions of open jobs.

Complimentary CV Review is Back
ACFAS will again be offering complimentary CV review at ACFAS 2022 in Austin. Spots are limited, so be sure to stop by the ACFAS Job Fair booth #1107 in the exhibit hall to sign up!

HeadShotLOUNGE™
Booth #159
Available Friday and Saturday... includes a brief meet and greet with a make-up artist and a photo shoot. You will receive a hard copy of the photo and an electronic version.
ACFAS Region Membership Meetings
Each of the nine ACFAS Regions will be holding a meeting of its members in conjunction with the ACFAS Scientific Conference in Austin. Attend your Region's meeting to meet and network with your Region's officers and have a hand in the plans for the Region for the upcoming year. Also, press your luck: All ACFAS members who attend their Region meetings will be placed in a Region drawing to win a $100 Amazon Gift Card. Your raffle ticket will be distributed at your Region meeting.

Thursday, February 24
1:00-2:00 pm
- Gulf States Region (AL, AR, LA, MS, OK, TX)
- Midwest Region (IL, IA, MN, MO, WI)
- Northeast Region (CT, ME, MA, NH, NY, ON, QC, RI, VT)

Friday, February 25
1:00-2:00 pm
- Mid-Atlantic Region (MD, NC, SC, TN, VA, DC, WV)
- Tri-State Region (DE, NJ, PA)
- Pacific Region (AK, CA, GU, HI, OR, WA, BC)

Saturday, February 26
Noon-1:00 pm
- Southeast Region (FL, GA, PR)
- Big West Region (AB, AZ, CO, ID, KS, MT, NE, NV, NM, ND, SD, UT, WY)
- Great Lakes Region (IN, KY, MI, OH)
the HUB Schedule
the HUB is back for ACFAS 2022! Our open-space theater is the go-to spot on the exhibit hall floor for lively, interactive learning. Come engage with your peers on a variety of topics you might not find anywhere else!

Thursday, February 24
10:00 am
1. “Let’s Talk”—Lessons Learned from Your Complicated Cases
We all have had complicated cases. Ever wanted to get a second opinion on how others may have handled it? Bring your complicated case to this HUB session to discuss it with our speakers and share it with the group!
Glenn M. Weinraub, DPM, FACFAS
Michael S. Downey, DPM, FACFAS

11:00 am
2. Developing a Product
You have a great idea for a new product. Now what? In this exciting HUB session, learn from speakers who have been in your shoes. They will share their experiences taking a provisional idea from concept to reality and everything in between!
Michael S. Lee, DPM, FACFAS
Thomas S. Roukis, DPM, PhD, FACFAS

12:00 Noon
3. Working with Industry—Pros and Cons
From being on the cutting edge of new technologies to consulting work, there are many benefits to partnering with industry. In this session, we’ll learn the pros and cons as our speakers cover such topics as:
• Consulting work
• Negotiating contracts
• Time investment
Shane M. Hollawell, DPM, FACFAS
Amber M. Shane, DPM, FACFAS

1:00 pm
4. Remaining Independent
In a world of mergers, multi-disciplinary, and hospital-based practices, is it realistic to think you can stay in private practice? Learn some tactics from our speakers on how to remain independent!
Frank A. Luckino, III, DPM, FACFAS
Daniel B. Logan, DPM, FACFAS

2:00 pm
5. RVUs and You
RVU-based compensation is become more mainstream every year. This session will discuss the RVU system, how it differs from traditional collections-based compensation, and important things to know when negotiating RVU based contracts.
Christopher D. Lotufo, DPM, FACFAS
Troy J. Boffeli, DPM, FACFAS

3:00 pm
6. Residency Directors Panel Discussion
Moderators: Karla De La Mata, DPM; Ramez Sakkab, DPM
Panelists: Richard Derner, DPM, FACFAS; Elianne Nasser, DPM, FACFAS; and David Waters, DPM, FACFAS
Our residency directors’ panel is back for another year to answer all your questions—from how to stand out as an applicant to ways to ace the interview! Join us to ensure that you have as much information as possible before making your “Match” list. Some of the topics addressed will include:
• Determining which residency program is the best fit for you
• Figuring out what you want from a residency program
• Ways to stand out as a podiatric student applicant
• Interview process—keys to success and winning them over

Friday, February 25
10:00 am
7. Balancing Act/Controlled Chaos—Tips for Maintaining a Work/Life Balance
With physician burnout on the rise, it is more important than ever for physicians to manage stress and maintain an appropriate work-life balance. This is a candid discussion on the reality of burnout and physician stress, depression, and anxiety focused on methods of coping and seeking help when needed.
Lawrence A. DiDomenico, DPM, FACFAS
Luke D. Cicchinelli, DPM, FACFAS
the HUB Schedule

11:00 am
8. The Fellowship Experience: Is Advanced Training Right for You?
Moderator: Jayson Atves, DPM, AACFAS
Panelists: Shirley Chen, DPM, AACFAS; John Miller, DPM, AACFAS; Jacob Wynes, DPM, FACFAS
Are you curious about the ACFAS Fellowship experience? Hear advice from recently graduated and current fellows to determine if a fellowship is right for you. This session will cover how to make an informed decision on fellowship; how to be a competitive applicant; how to choose the right program; how to maximize your fellowship experience; and the unexpected benefits of participating in a fellowship. Additionally, we will provide time for questions from the floor.

12:00 Noon
9. Everything You Need to Know About ABFAS Certification
Amberly C. Paradoa, DPM, FACFAS, ABFAS President
Jeffery L. Giesking, DPM, FACFAS, ABFAS President-elect

1:00 pm
10. Denying Surgery in the Persistent Patient
The best surgeons know when to operate and what the red flags are to be aware of for elective surgery patients.
Michael D. Dujela, DPM, FACFAS
Brett D. Sachs, DPM, FACFAS

2:00 pm
11. Introducing FASTRAC!
Dr. Roukis speaks on how to submit articles to the new journal and what makes it different than JFAS.
Thomas S. Roukis, DPM, PhD, FACFAS

3:00 pm
12. Office Emergencies
Are you prepared should a patient emergency occur in your office? This talk is focused on common patient emergencies that may occur in your office and the appropriate treatment and response.
Brandi M. Johnson, DPM, FACFAS
Jonathan J. Sharpe, DPM, FACFAS

Saturday, February 26, 2022
10:00 am
13. Know Your Worth & When to Make a Move
Moderator: Zack Dawson, DPM, AACFAS
Panelists: Christopher Hood Jr., DPM, FACFAS; Chandana Halaharvi, DPM, AACFAS
Thinking about changing jobs? About to renegotiate your contract? Attend this HUB session to learn more about your options, the right time to make a move, and knowing your worth. Panelists will discuss various practice models, red flags to look for in your current employment, and how to approach the difficult conversation of giving notice. Contract review will also be covered, including how to formulate your “ask” and how to negotiate to maximize your potential. This session is not to be missed, especially for residents and young practitioners.

11:00 am
Maryellen Brucato, DPM, FACFAS
Bela Pandit, DPM, FACFAS
Elianne Nasser, DPM, FACFAS

12:00 Noon
15. How to Branch Out
Fresh in mid-career these members made the decision to start over ... learn first-hand how these regular members turned into trail blazers.
Mindi J. Dayton, DPM, FACFAS
Paul D. Dayton, DPM, MS, FACFAS

1:00 pm
16. Let’s Talk About the New ABFAS LEAD Continuous Certification Program
Christopher D. Lotufo, DPM, FACFAS, ABFAS, Continuous Certification Chair
## Schedule at a Glance

**ACCREDITATION**

The American College of Foot and Ankle Surgeons (ACFAS) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The ACFAS has approved this activity for a maximum of 26 continuing education contact hours.

**CALIFORNIA RADIOLOGY CREDIT**

Every hour of lecture in scientific sessions can confer up to 0.5 hours of radiology credit.

**ATTENDANCE AND CME CREDITS SCANNING**

Attendance at this conference and CME credits will be recorded electronically by scanning the barcode on the front of your badge. Five (5) scanning stations will be in the Exhibit Hall during breaks Thursday, Friday, and Saturday mornings, and on Saturday afternoon and Sunday morning on Level 4.
Course Information | Thursday, February 24th

#1. Techniques in 2nd MPJ Surgery
Moderator: Katherine E. Dux, DPM, FACFAS
Video guided technique for various plantar plate repair approaches.

7:30–7:40 am  
Plantar Plate Repair — Direct  
Mark A. Prissel, DPM, FACFAS

7:40–8:00 am  
Anatomic Reconstruction of the Lesser Metatarsophalangeal Joint  
Matthew E. Williams, DPM, FACFAS

7:50–8:10 am  
Plantar Plate Repair — Dorsal Approach with Weil Osteotomy  
Adam E. Fleischer, DPM, MPH, FACFAS

8:00–8:10 am  
Salvage Procedures to Address Failed Repair of Plantar Plate Injury  
Sean T. Grambart, DPM, FACFAS

8:10–8:30 am  
Panel Discussion

#2. How I Evolved in my Practice: “I’d Never Go Back to That Again!”
Moderator: Naohiro Shibuya, DPM, MS, FACFAS
The audience is to learn how to maximize surgical outcomes by observing experienced surgeons discuss reasons for changing his/her practice pattern on certain pathologies over time. The panelists will discuss, with actual cases, how and why she/he evolved.

Panel:
› Thomas J. Chang, DPM, FACFAS
› Luke D. Cicchinelli, DPM, FACFAS
› Michael S. Downey, DPM, FACFAS
› Laurence G. Rubin, DPM, FACFAS
› Lowell Weil, Jr., DPM, MBA, FACFAS

8:45–10:00 am

#3. Opening General Session
Speaker: Dr. Myron Rolle

This year’s featured keynote speaker is Dr. Myron Rolle. Dr. Rolle is a former NFL safety, a Rhodes Scholar and a neuroscience resident at Massachusetts General Hospital. A rare combination of experience in the fields of education, sport and medicine, Dr. Rolle’s career has taken him from the football field to the front lines, as he currently works and volunteers to aid the hospital in the fight against the COVID-19 global pandemic.

The 2% Way is a mantra that Dr. Rolle lives by, which was instilled in him by his former coach at Florida State, Mickey Andrews. This belief permeates every aspect of his life — from practicing medicine to raising his family to encounters with friends or strangers to running his foundation — as he seeks 2% daily improvement in everything he does. Dr. Rolle will walk the audience through the highs and lows of this football and medical journey, which started in the Bahamas, to present day at Mass General Hospital/Harvard Medical School, all hoping viewers can take 2% of his message an apply it to some aspect of their lives.

**#4. International HAV Symposium**
Moderator: Naohiro Shibuya, DPM, MS, FACFAS

**#5. You CAN Handle the Truth: Medical Legal Discussion**
Moderator: Michael S. Downey, DPM, FACFAS
A review of the medical malpractice landscape with inclusion of a lecture given by a plaintiff medical practice attorney and incorporating faculty who have had extensive experience in the medical legal arena to impart some anecdotes and strategic considerations.

**#6. Can You Handle the Infection?**
Moderator: John S. Steinberg, DPM, FACFAS
This multidisciplinary session will focus on multiple aspects of foot and ankle infection ranging from diagnosis, imaging, antibiotic treatment, and surgical management.

**#7. How to Handle the Ankle Instabilities**
Moderator: Ryan B. Rigby, DPM, FACFAS
Looking at the medial ankle and whether surgical treatment is even viable, when is it a pain generator and with subtle instability what can we do about it. Academic dive into the advanced levels of chronic lateral ankle instability and how anatomic variations and pathoanatomy relates to functional proprioceptive deficits. Analysis of acute and chronic subtle syndesmosis injury is it something that should be surgically managed.

**Lunch in the Exhibit Hall**

# #9. Taming the Tendon: Tendon Transfer Techniques
Moderator: Scott C. Nelson, DPM, FACFAS
Uses and indications for specific tendon transfers.

2:00–2:10 pm
The Science of Tendon Transfers
Jennifer C. Van, DPM, FACFAS

2:10–2:20 pm
Jones Tenosuspension
Thanh L. Dinh, DPM, FACFAS

2:20–2:30 pm
STATT for Cavovarus
Garrett M. Wobst, DPM, FACFAS

2:30–2:40 pm
PT Tendon Transfer for Drop Foot
Michael D. Dujela, DPM, FACFAS

2:40–2:50 pm
FDL Transfer for PT Tendon
Lawrence A. DiDomenico, DPM, FACFAS

3:00–3:30 pm
Q&A

# #10. Cavus Foot: Beyond the Familiar Treatment Algorithm
Moderator: Thomas J. Chang, DPM, FACFAS
Speakers will highlight complex and challenging topics associated with cavovarus foot deformity.

2:00–2:15 pm
Management of Paralytic/Spastic Equinocavovarus Foot Deformity
Ronald G. Ray, DPM, FACFAS

2:15–2:30 pm
Osteotomy vs. Arthrodesis
Alan R. Catanzariti, DPM, FACFAS

2:30–2:45 pm
Neurologic Cavus Reconstruction
Christopher L. Reeves, DPM, MS, FACFAS

# #11. Stand Out or Fit In?: “I Might Be a Minority But Science Is Not Democracy!”
Moderator: Jacob Wynes, DPM, FACFAS

2:00–2:10 pm
Gastroc Recession After Flatfoot Reconstruction... and Life: Are You Still Over-Salvaging?
Benjamin D. Overley, Jr., DPM, FACFAS

2:10–2:20 pm
A Case for Surgical Repair of Acute Achilles Tendon Rupture
Kelly M. Pirozzi, DPM, FACFAS

2:20–2:30 pm
Why Don’t You Skip Microfracture and Go Straight to Reconstruction of OLT?
Alan Ng, DPM, FACFAS

2:30–2:40 pm
Aggressive Amputation to Salvage a Limb... and Life: Are You Still Over-Salvaging?
Benjamin D. Overley, Jr., DPM, FACFAS

2:40–2:50 pm
Austin Bunionectomy for Hallux Valgus Correction Is Still Useful
Ailin Raza, DPM, FACFAS

3:00–3:30 pm
Q&A

# #12. Military Session
Operative Consideration for Achilles Tendon Ruptures in Active-Duty Patient Population: Open, Mini-Open vs. MIS
Lt Col Michael Taye, DPM FACFAS

Non-Traumatic Peroneus Longus Tendon Rupture: Lessons Learned
MAJ Weston C. Goring, DPM

Opioid-Sparing Multimodal Analgesia in the Post-Op Setting
MAJ Peter E. Smith, DPM, FACFAS

Total Joint Implants in Hallux
Lt Col Bill D. Michie, Jr., DPM, FACFAS

Brosstrom Repair with Augmentation in Active-Duty Population
Michael Gibboney, DPM, FACFAS, DABPM

Case Presentation: Mid-Foot OCD lesion
CPT Whitney D. Garner, DPM

DPM in the Military
Col Troy N. Morton, DPM
### #13. Hot Topics in Foot and Ankle Surgery: The Cost of Effectiveness and the Effectiveness of Cost
Moderator: J. Randolph Clements, DPM, FACFAS

4:00–4:15 pm
The Determinate Value of the Medial Clear Space for Deltoid Integrity in Lateral Malleolar Fractures: A Correlative Analysis of Arthroscopic and Radiographic Findings
David R. Collman, DPM, FACFAS

4:15–4:30 pm
Risk Factors and Outcomes after Surgical Reconstruction of Charcot Neuroarthropathy in Fracture Versus Dislocation Patterns
Korey S. DuBois, DPM, AACFAS

4:30–4:45 pm
Risk Stratification for Revision Surgery following Total Ankle Replacement
Matthew M. Knabel, DPM

4:45–5:00 pm
Risk Factors for the Early Failure of 4th Generation Total Ankle Arthroplasty Prostheses
Calvin J. Rushing, DPM, AACFAS

5:00–5:15 pm
Charcot Reconstruction Versus Transstibial Amputation Versus Bracing in Patients with Non-Plantigrade Charcot Foot Arthropathy: A Cost-Effectiveness Analysis
Rachel H. Albright, DPM, MPH, AACFAS

5:15–5:30 pm
Total Ankle Arthroplasty Survivorship: A Meta-analysis
Bryon J. McKenna, DPM, AACFAS

5:30–5:45 pm
Routine Use of Low Molecular Weight Heparin DVT Prophylaxis following Certain Foot and Ankle Surgeries: A Cost Effectiveness Analysis
Richard C.O. Robinson, DPM, FACFAS

5:45–6:00 pm
Percutaneous Kirschner Wire versus Commercial Implant for Hammertoe Repair: A Cost-Effectiveness Analysis
Rachel H. Albright, DPM, MPH, AACFAS

### #14. Next Level Ankle Fracture
Moderator: George Tye Liu, DPM, FACFAS

4:00–4:10 pm
AICFL Reconstruction with Syndesmosis Repair — Redundant?
Mark A. Hardy, DPM, FACFAS

4:10–4:20 pm
When to Perform Acute Deltoid Repair?
Shane M. Hollawell, DPM, FACFAS

4:20–4:30 pm
Fibular Nailing — Fad or Fabulous?
Justin J. Fleming, DPM, FACFAS

4:30–4:40 pm
Syndesmosis Repair in Weber B Fracture — Waste or Want?
Jason V. Naldo, DPM, FACFAS

4:40–4:50 pm
Assessing Syndesmotic Reduction Intraop
Brian J. Burgess, DPM, FACFAS

4:50–5:00 pm
Value in Fixing Posterior Malleolar Fractures?
Graham A. Hamilton, DPM, FACFAS

5:00–5:10 pm
Fixation Technique with Revision Surgery in Mind (Managing Complicated Removing Broken Hardware)
Travis A. Motley, DPM, FACFAS

5:10–5:20 pm
Malunited Fibular Fracture — When Has the Horse Left the Field?
Alan A. MacGill, DPM, FACFAS

5:20–6:00 pm
Q&A

### #15. Limb Salvage Rodeo!
Moderator: Kelly M. Pirozzi, DPM, FACFAS

4:00–4:20 pm
“Achilles Tendon Lengthening Gone Bad”
Keith L. Jacobson, DPM, FACFAS

4:20–4:40 pm
“PAD That Was Overlooked”
Paul J. Kim, DPM, FACFAS

4:40–5:00 pm
“The Non-Healing DFU: I Wish I Had Surgically Intervened Sooner”
Javier La Fontaine, DPM, MS, FACFAS

5:00–5:20 pm
Calcaneal Osteomyelitis: Deciding Between Salvage or Proximal Amputation
Caitlin S. Zarick, DPM, FACFAS

5:20–5:40 pm
How Many Times Is Enough: Non-Union Repair, Know When to Call it Quits
Byron L. Hutchinson, DPM, FACFAS

5:40–6:00 pm
Q&A

6:15 pm

Opening Reception and Student Networking Reception

5:15–6:15 pm
Resident and Student Networking at the Hilton Austin (by invitation)
Sponsored in part by ABFAS
Just for invited residents and students. You’ll meet with ACFAS and ABFAS Board members and also meet your new professional peers. Don’t miss the great food, beverages, and prize drawings.

6:15–7:30 pm
The Premier Connection — Opening Event at the Hilton Austin
Sponsored in part by In2Bones
Relax and reconnect with your colleagues before heading out to dinner. Meet and greet classmates, colleagues, and new friends, while enjoying an assortment of great food, beverages, and music.

Stryker

ACFAS 2022 Scientific Conference | Austin, TX | Austin Convention Center | 2.24–2.27
Celebrating 80 Years | acaf.org/Austin | 15
Course Information | Friday, February 25th

7:30–9:30 am

#18. Controversies in First Ray Surgeries
Moderator: Luke D. Cicchinelli, DPM, FACFAS

- Frontal Plane Correction — How Far Do You Go?
- When to Leave the Metatarsal Head Alone
- Revisiting the Role of the Lateral Release
- When is 1st MPJ Arthrodesis Indicated for HAV?
- Is the Akin Ever Really Necessary?
- MIS

Panel:
- Paul D. Dayton, DPM, MS, FACFAS
- William T. DeCarbo, DPM, FACFAS
- Gerhard Kaufmann, MD
- Kelly M. Pirozzi, DPM, FACFAS
- Sérgio Soares, MD

#20. All the Imaging Techniques, as Big as Texas
Moderator: Travis A. Motley, DPM, FACCAS

Describe the current and new imaging modalities to optimize diagnosis and peri-operative planning for foot and ankle pathologies.

7:30–7:45 am
Give a Hoot, The Right MRI Specifications Can Optimize Your Outcomes
Avneesh Chhabra, MD

7:45–8:00 am
Dagnammit, Not All X-Ray Views/Techniques Are Equal
Bradley M. Lamm, DPM, FACFAS

8:00–8:15 am
The New Stars of CT Scans for Lower Extremity Pathologies
Aksone Nouvong, DPM, FACFAS

8:15–8:30 am
What’s All the Fuss About PET Scans, Do I Need to Use it?
Anup Alexander, MD

8:30–8:45 am
Wringing All the Pros and Cons of Ultrasound in the Clinical Setting
Kris A. DiNucci, DPM, FACFAS

8:45–9:00 am
Corralling New Imaging Technologies Into One Talk
Albert Song, MD

9:00–9:30 am
Q&A

#21. Surgery That Went South...Deep South
Christopher L. Lotufo, DPM, FACFAS

Speakers will present on reconstructive/trauma cases that developed post-operative infection and will focus on how these challenging situations were surgically managed.

7:30–7:50 am
Post-op Infection After Forefoot Reconstruction
Peter A. Blume, DPM, FACFAS

7:50–8:10 am
Hindfoot Nail Infection
Michael D. Dujela, DPM, FACFAS

8:10–8:30 am
Infected Total Ankle Arthroplasty
David R. Collman, DPM, FACFAS

8:30–8:50 am
Infected Charcot Reconstruction
Noman A. Siddiqui, DPM, FACFAS

8:50–9:10 am
Ankle Fracture ORIF Post-op Infection
Keith D. Cook, DPM, FACFAS

9:10–9:30 am
Q&A

#22. PICA Session

#24. Latest in Ankle Surgery
Moderator: Thomas S. Roukis, DPM, PhD, FACFAS
Commentator: Christopher F. Hyer, DPM, MS, FACFAS

10:00–10:08 am
Effects of Patient-Specific Instrumentation and Ancillary Surgery Performed in Conjunction with Total Ankle Implant Arthroplasty: Postoperative Radiographic Findings
▲ Cody J. Togher, DPM, AACFAS
Stephanie L. Golding, DPM
Jordan B. Butterfield, DPM
Thomas D. Ferrise, DPM
Amber M. Shane, DPM, FACFAS
Christopher L. Reeves, DPM, MS, FACFAS

10:08–10:16 am
An Analysis of 50 Consecutive Total Ankle Replacements undergoing Pre-operative CT Scan-based, Engineer-provided Planning from a Single Non-Inventor, Non-Consultant Surgeon
▲ Garrett M. Biela, DPM
Thomas S. Roukis, DPM, PhD, FACFAS
Jason A. Piraino, DPM, MS, FACFAS

10:16–10:24 am
Hounsfield Unit Assessed Bone Density amongst Non-Traumatic and Post-Traumatic Arthritic Total Ankle Arthroplasty Patients
▲ John M. Thompson, DPM, AACCFA
Brian Houng, DPM, AACCFA
Eric So, DPM, MS, FACFAS
Christopher F. Hyer, DPM, MS FACFAS
Gregory Berlet, MD, FRCS(C), FAOA

10:24–10:34 am
Panel Q&A
Cody J. Togher, DPM, AACFAS
Garrett M. Biela, DPM
John M. Thompson, DPM, AACCFA

10:34–10:42 am
The Association of Medial Malleolus Width and Fractures in Total Ankle Joint Replacement
▲ Karl W. Dunn, DPM, FACFAS
Jason R. Miller, DPM, FACFAS
Lawrence A. DiDomenico, DPM, FACFAS
James M. Cottom, DPM, FACFAS
Henry D. Spingola III, DPM, AACFAS
Clay B. Shumway, DPM, AACFAS

10:42–10:50 am
Early Outcomes of the Vantage Total Ankle System
▲ Collin G. Messerly, DPM
David M. Eastman, DPM
Jason D. Nowak, DPM, FACFAS
Garret L. Strand, DPM, AACFAS

10:50–10:58 am
Prevalence of Osteochondral Lesions in Chronic Lateral Ankle Instability: A Meta-analysis
▲ Tyler L. Coye, DPM
Courtney M. Foote, DPM
Benjamin Heddy, DPM

10:58–11:08 am
Panel Q&A
Karl W. Dunn, DPM, FACFAS
Collin G. Messerly, DPM
Tyler L. Coye, DPM

11:08–11:16 am
Pain Management Following Foot and Ankle Surgery
▲ Megan A. Ishibashi, DPM, AACFAS
Douglas A. Stram, MS
Miranda L. Ritterman Weintraub, PhD, MPH
Christy M. King, DPM, FACFAS

11:16–11:24 am
Correlation Between Isolated Fibular Fracture Displacement and Deep Deltoid Injury: A Comparative Analysis of Arthroscopic and Radiographic Assessments
▲ Fernando Ramirez, II, DPM
Sumer Patel, DPM, FACFAS
Sheng-Fang Jiang, MS
David R. Collman, DPM, FACFAS
Jack M. Schuberth, DPM, FACFAS

11:24–11:32 am
Anterior Ankle Incision Healing Complications with and without Tourniquet Use: A Retrospective Comparative Cohort Study
▲ Andrea J. Cifaldi, DPM, AACFAS
William O. McGlone, DPM
John P. Bonvillian, DPM, AACFAS
Tyler D. McKee, DPM, AACFAS
Douglas K. Blacklidge, DPM, FACFAS
J. Michael Miller, DPM, FACFAS
Brian G. Elliott, DPM, FACFAS

11:32–11:40 am
Early Outcomes with the Vantage Total Ankle Prosthesis
▲ Matthew A. King, Jr., DPM, AACFAS
Bryanna D. Vesely, DPM, MPH
Aaron T. Scott, MD

11:40–11:50 am
Panel Q&A
Megan A. Ishibashi, DPM, AACFAS
Fernando Ramirez, II, DPM
Andrea J. Cifaldi, DPM, AACFAS
Matthew A. King, Jr., DPM, AACFAS

11:50–12:00 Noon
Session Q&A

- Michael Subik, DPM, FACFAS

| 10:46–10:54 am  | A Systematic Review of Angular Deformities in Charcot Neuroarthropathy
- Helene R. Cook, DPM
- Nicole K. Cates, DPM, AACFAS
- Jonathan D. Tenley, DPM
- Paul J. Kim, DPM, MS, FACFAS

| 10:54–11:00 am  | Panel Q&A
- Alec J. Dierksheide, DPM
- Lucian M. Ferraru, DPM, AACFAS
- Helene R. Cook, DPM

| 11:00–11:08 am  | Targeted Muscle Reinnervation: Saphenous Nerve to Abductor Hallucis Motor Nerve Transfer
- John M. Thompson, DPM, AACFAS
- Dominick J. Cisciato, DPM
- Brian Hounig, DPM, MS
- Ryan Jefferson, MD
- Kyle R. Eberlin, MD
- Ian Valerio, MD, MS, MBA, FACS

- Arthur Tarricone, DPM, MPH
- Karla De La Mata, DPM
- Wayne R. Axman, DPM, FACFAS
- Louis Primavera, PhD
- Michael J. Trepal, DPM, FACFAS

| 11:16–11:24 am  | A Comprehensive Soft Tissue Reconstruction for Charcot-Marie-Tooth Foot and Ankle Deformities
- James M. Steriovoiski, DPM, MBA, AACFAS
- Bradley M. Lam, DPM, FACFAS
- Jossie S. Abraham, DPM, FACFAS
- Dror Paley, MD, FRCS

| 11:24–11:30 am  | Panel Q&A
- John M. Thompson, DPM, AACFAS
- Arthur Tarricone, DPM, MPH
- James M. Steriovoiski, DPM, MBA

| 11:30–11:38 am  | Analysis of the Effects of Level of Care Placement on Transmetatarsal Amputations: Identifying Patient Population Safe to Discharge Home Versus Higher Levels of Care
- Keegan A. Duelfer, DPM
- Troy J. Boffeli, DPM, FACFAS
- Abimbola O. Johnson, DPM
- Rachel C. Collier, DPM, FACFAS

| 11:38–11:46 am  | Outcomes of Minor Lower Extremity Amputations With and Without the use of Indocyanine Green Angiography
- Ramez S. Sakkab, DPM
- Tyler M. MacRae, DPM
- Craig R. Morgan, DPM
- James Longobardi, DPM

| 11:46–11:52 am  | Panel Q&A
- Keegan A. Duelfer, DPM
- Ramez S. Sakkab, DPM

| 11:52–12:00 Noon | Session Q&A
- Presenter
Course Information | Friday, February 25th

10:00 am–12:00 Noon

#26. Latest in Forefoot Surgery
Moderator: Jason G. DeVries, DPM, FACFAS
Commentator: Thanh L. Dinh, DPM, FACFAS

10:00–10:08 am
Concomitant MRI Findings in Patients with Suspected Plantar Plate Injuries and their Influence on Surgical Planning
▲ Matthew L. Diamond, DPM
Lowell Weil, Jr., DPM, MBA, FACFAS
Erin E. Klein, DPM, MS, FACFAS
Adam E. Fleischer, DPM, MPH, FACFAS

10:08–10:16 am
First Tarsometatarsal Joint Arthrodesis With and Without Intermetatarsal Screw Fixation: A Comparison of Correction and Maintenance of Correction
▲ Jacob M. Jones, DPM
Scott D. Schleunes, DPM
Vincent G. Vacketta, DPM
Frances Hite Philip, MS
Matthew J. Hentges, DPM, FACFAS
Ryan L. McMillen, DPM, FACFAS
Karl R. Saltrick, DPM, FACFAS
Alan R. Catanzariti, DPM, FACFAS

10:16–10:24 am
Treatment of Lesser Metatarsophalangeal Joint Instability with Plantar Plate Repair: A Systematic Review and Meta-Analysis
▲ Ryan Jameson, BA
Jeffrey R. Baker, DPM, FACFAS
Rachel H. Albright, DPM, MPH, ACFAS
Manali Chingre, BS, BA
Erin E. Klein, DPM, MS, FACFAS
Lowell Weil, Jr., DPM, MBA, FACFAS
Adam E. Fleischer, DPM, MPH, FACFAS

10:24–10:30 am
Panel Q&A
Matthew L. Diamond, DPM
Jacob M. Jones, DPM
Ryan Jameson, BA

10:30–10:38 am
The Reliability of Common Radiographic Measurements Used to Describe Forefoot Deformities
▲ Mohammad Junayed Khan, DPM, AACFAS
Modupe D. Apetuje, DPM, MPH
Eugene Cheng, DPM
Hye R. Kim, DPM, AACFAS
Cathrine A. Stark, DPM
D. Scot Malay, DPM, MSCE, FACFAS

10:38–10:46 am
Patient Reported Outcome of Dorsal Approach Plantar Plate Repair – A Ten Year Follow Up
▲ Erin E. Klein, DPM, MS, FACFAS
Lowell Weil, Jr., DPM, MBA, FACFAS
Jeffrey R. Baker, DPM, FACFAS
Sarah Langer, BS
Adam E. Fleischer, DPM, MPH, FACFAS

10:46–10:54 am
Can Radiographs Predict Patient Satisfaction after Bunion Surgery?
▲ Rachel H. Albright, DPM, MPH, ACFAS
Erin E. Klein, DPM, MS, FACFAS
Jeffrey R. Baker, DPM, FACFAS
Matthew D. Sorensen, DPM, FACFAS
Lowell Weil, Jr., DPM, FACFAS
Adam E. Fleischer, DPM, MPH, FACFAS

10:54–11:00 am
Panel Q&A
Mohammad Junayed Khan, DPM, AACFAS
Erin E. Klein, DPM, MS, FACFAS
Rachel H. Albright, DPM, MPH, ACFAS

11:00–11:08 am
A Comparison of Crossed Screw Versus Plates Constructs for Fixation in the Lapidus Procedure: A Systematic Review and Meta-analysis
▲ Jacob T. Wagner, DPM
Matthew R. Sieloff, DPM
Shailer B. Martin II, DPM, MS
Mitchell J. Thompson, DPM
Andrew D. Elliott, DPM, JD

11:08–11:16 am
One- and Two-Year Analysis of a Five-Year Prospective Multicenter Study Assessing Radiographic and Patient Reported Outcomes Following Triplanar Tarsometatarsal Arthrodesis with Early Weightbearing
▲ George Tye Liu, DPM, FACFAS
Avneesh Chhabra, MD
Mindi J. Dayton, DPM, MPH, FACFAS
Paul D. Dayton, DPM, MS, FACFAS
William J. Duke, DPM, FACFAS
Daniel C. Farber, MD
Daniel J. Hatch, DPM, FACFAS
Diedre A. Kile, MS
Jennifer Koay, MD
JP McAlleer, DPM, FACFAS
Abdi Raissi, MD
Katherine M. Rasovic, DPM, FACFAS
Robert D. Santrock, MD
Robert P. Taylor, DPM, FACFAS
Michael D. VanPelt, DPM, FACFAS
Dane K. Wukich, MD

11:16–11:24 am
Is 2nd Metatarsal Shortening Osteotomy Necessary When Performing a Modified Lapidus Bunionectomy?
▲ Matthew L. Diamond, DPM
Ryan Rodella, DPM
Jeffery R. Baker, DPM, FACFAS
Lowell Weil, Jr., DPM, MBA, FACFAS
Matthew D. Sorensen, DPM, FACFAS
Erin E. Klein, DPM, MS, FACFAS
Adam E. Fleischer, DPM, MPH, FACFAS

11:24–11:30 am
Panel Q&A
Jake T. Wagner, DPM
George Tye Liu, DPM, FACFAS
Matthew L. Diamond, DPM

11:30–11:38 am
Radiographic Evaluation of Hallux Abducto-valgus Deformity
Nicole K. Cates, DPM, AACFAS
▲ Helene R. Cook, DPM
Mira Pandya, DPM, AACFAS
Joshua A. Gordon, MD
Jacob Wynes, DPM, MS, FACFAS
Andrew J. Meyr, DPM, FACFAS
Guido A. La Porta, DPM, MS, FACFAS

11:38–11:46 am
The Role of the Shortened Proximal Phalanx in the Setting of Brachymetatarsia
▲ Michael A. Thomas, DPM, MS, AACFAS
Kelsey J. Millonig, DPM, MPH, ACFAS
Yumna, Siddiqui, DPM
Cassandra C. Charles, DPM
Bilal M. Khan, DPM
Noman A. Siddiqui, DPM, FACFAS

11:46–11:54 am
Maintenance of Correction of the Modified Lapidus Procedure with a First Metatarsal to Second Metatarsal Screw with “Spot Weld” Technique: A Retrospective and Radiographic Analysis
▲ John M. Thompson, DPM, AACFAS
Christopher F. Hyer, DPM, MS, FACFAS
Guido A. LaPorta, DPM, MS, FACFAS

11:54–12:00 Noon
Panel Q&A
Helene R. Cook, DPM
Michael A. Thomas, DPM, MS, AACFAS
John M. Thompson, DPM, AACFAS
▲ Presenter
Course Information | Friday, February 25th

12:00 Noon–2:00 pm

Lunch in the Exhibit Hall
ACFAS Honors and Awards Ceremony
Congratulate your colleagues who win Manuscript, Poster, Honor, and Merit Awards. The year’s best research will be recognized. In addition, new Fellows will be presented their College keys and the 2022/23 Board of Directors will be introduced.

2:00–3:30 pm

#27. Past President Presidential Debate
Moderator: J. Randolph Clements, DPM, FACFAS
ACFAS Past Presidents will come back to the stage to debate each other on clinical treatment options for a variety primary foot and ankle conditions as well as complication management of complex surgical procedures with unexpected outcomes.

Panel:
- Richard Derner, DPM, FACFAS
- Daniel J. Hatch, DPM, FACFAS
- Michael S. Lee, DPM, FACFAS
- Scott C. Nelson, DPM, FACFAS

#28. Revisiting Ankle Arthrodesis
Moderator: Jason G. DeVries, DPM, FACFAS

2:00–2:15 pm
Ankle Arthrodesis: Is It Still the Gold Standard?
Jordan P. Grossman, DPM, FACFAS

2:15–2:30 pm
Approach and Fixation: Anterior vs. Transfibular
Christopher D. Lotufo, DPM, FACFAS

2:30–2:45 pm
When Is It Ok to Perform Arthroscopically?
Jason A. Piraino, DPM, MS, FACFAS

2:45–3:00 pm
Managing Ankle Arthrodesis Complication
Alan R. Catanzariti, DPM, FACFAS

3:00–3:15 pm
Management of Bone Loss
Jeffrey E. McAlister, DPM, FACFAS

3:15–3:30 pm
Q&A

#29. Operating Theatre: Surgical Demonstration of 2022
Moderator: Ryan B. Rigby, DPM, FACFAS
Attendees will be able to observe firsthand surgical procedures being performed by the experts. Pearls and techniques for various surgical procedures will be demonstrated live from start to finish.

2:00–2:15 pm
Lapidus Arthrodesis
Eric A. Barp, DPM, FACFAS

2:15–2:30 pm
Percutaneous Achilles Repair
Justin J. Fleming, DPM, FACFAS

2:30–2:45 pm
PT Tendon Transfer
Philip Basile, DPM, FACFAS

3:00–3:15 pm
Q&A

3:30–4:00 pm
Exhibit Hall/CME Break

#30. Nerve Related Issues in the Lower Extremity
Moderator: Asim Raja, DPM, FACFAS
Focus on the clinical evaluations and decision making for anterior tarsal syndrome, tarsal tunnel syndrome, and baxter’s entrapment.

2:00–2:15 pm
Evaluation, Clinical Findings, and Treatment for Anterior Tarsal Syndrome
Lawrence A. DiDomenico, DPM, FACFAS

2:15–2:30 pm
Evaluation, Clinical Findings, and Treatment for Tarsal Tunnel Syndrome
Michael A. Gentile, DPM, FACFAS

2:30–2:45 pm
Evaluation, Clinical Findings, and Treatment for Sensory Nerve Injury
Sean T. Grambart, DPM, FACFAS

2:45–3:00 pm
Evaluation, Clinical Findings, and Treatment for Neuroma
D. Scot Malay, DPM, MSCE, FACFAS

3:00–3:15 pm
Advanced Nerve Surgery
Peter J. Apel, MD, PhD

3:15–3:30 pm
Q&A
Course Information | Friday, February 25th

#31. Common Pathologies in Athletic Patients
Moderator: Eric A. Barp, DPM, FACFAS
Comprehensive sports medicine topics that are in the less clear, less obvious lanes of pathology that we see in our practices. Topics from forefoot including second MTP overload to the hindfoot and ankle including subtle syndesmosis injuries and their management to controversial diagnoses such as medial ankle instability. Didactic session with clinical case augmentation.

4:00–4:10 pm
Posterior Ankle Impingement Syndrome — An Open/Shut Case
Michael A. Gentile, DPM, FACFAS

4:10–4:20 pm
Sick Second MTP Syndrome in the Athlete
Kyle C. Fiala, DPM, FACFAS

4:20–4:30 pm
Heel Pain That Won’t Quit! Keep Me Running!
Kris A. DiNucci, DPM, FACFAS

4:30–4:40 pm
Chronic Subtle Syndesmosis Instability in the Athlete
Matthew D. Sorensen, DPM, FACFAS

4:40–4:50 pm
Minimally Displaced Fractures in the Athlete — Fix or Fad
Michael S. Lee, DPM, FACFAS

4:50–5:00 pm
Symptomatic Subtle Cavus — When to Fix?
Ronald G. Ray, DPM, FACFAS

5:00–5:10 pm
Bone Contusions/Marrow Lesions — Does Anything Work?
Garrett M. Wobst, DPM, FACFAS

5:10–5:20 pm
Midfoot Stress Fracture
Matthew E. Williams, DPM, FACFAS

5:20–6:00 pm
Q&A

#32. A New Age: Literature Supported Uses of Regenerative Medicine Products
Moderator: D. Scot Malay, DPM, MSCE, FACFAS
Engage in critical appraisal of current orthobiologics/regenerative tissue medicine adjuncts and if they augment healing considerations in foot and ankle surgery while gaining a further insight into various forms of bone graft substitutes. Develop an understanding of the potential side effects of incorporation of various intraoperative adjuncts and demonstrate utility of regenerative medicine adjuncts in bone healing, wound healing, and overall perioperative optimization.

4:00–4:15 pm
What’s the Role in Amniotic Tissue in Foot and Ankle Surgery?
James M. Cottom, DPM, FACFAS

4:15–4:30 pm
Could Results of Allograft Supplementation Rival Autograft?
Ryan L. McMillen, DPM, FACFAS

4:30–4:45 pm
Platelet Rich Plasma: Fad or Here to Stay?
Michael D. VanPelt, DPM, FACFAS

4:45–5:00 pm
Is ALL Bone Marrow Aspirate Concentrate Created Equal?
Glenn M. Weinraub, DPM, FACFAS

5:00–5:15 pm
A Primer on the Latest Advancements in Cartilage Restoration
Alan Ng, DPM, FACFAS

5:15–5:30 pm
Adipose Tissue Derived Stem Cells and their Implications
John S. Steinberg, DPM, FACFAS

5:30–5:45 pm
What is the Cost Effectiveness of Regenerative Medicine?
Adam E. Fleischer, DPM, MPH, FACFAS

5:45–6:00 pm
Q&A

#33. Hellux Rigidus/Limitus Update
Moderator: Lowell Weil, Jr., DPM, MBA, FACFAS
Appraisal of the preferred techniques of recognizing and treating midfoot injury. The focus is to provide strategy for the management of navicular fractures with obvious and subtle variants, management of adult and pediatric avascular necrosis, evaluation of biomechanical role of the naviculocuneiform and tarsometatarsal joints, and illustrations of various fixation constructs when fusion or osteotomy is indicated.

4:00–4:15 pm
AVN of Navicular: Is There Anything We Can Do?
Scott C. Nelson, DPM, FACFAS

4:15–4:30 pm
Fusion of the Naviculocuneiform Joint in Addressing Flatfoot Deformity: Is it Truly a “Non-essential Joint?”
Jason V. Naldo, DPM, FACFAS

4:30–4:45 pm
Managing the “Non-toobvious” Navicular Fracture?
Brett D. Sachs, DPM, FACFAS

4:45–5:00 pm
Treatment Considerations in Degloving Injuries of the Midfoot
Jason R. Miller, DPM, FACFAS

5:00–5:15 pm
Biomechanical Considerations and Fixation Constructs in Midfoot Arthrodesis
Daniel J. Hatch, DPM, FACFAS

5:15–5:30 pm
Is There Enough Bone to Salvage? Commuted Fracture Variants of the Midfoot
Jordan P. Grossman, DPM, FACFAS

5:30–6:00 pm
Q&A
Course Information | Friday, February 25th
2:00–6:00 pm

#35. Ankle Fracture Workshop (Cadaver) ($250)
Moderator: Ryan T. Scott, DPM, FACFAS
Surgical skill workshop focused on ankle fracture surgery, where we will discuss fixation options, methods of reduction, and surgical incision and dissection approach.

2:00–2:10 pm
Practical Aspects of Ankle Fracture Surgery: Pre-operative Planning, Imaging, Patient Positioning, and Prepping for Success
Mark H. Hofbauer, DPM, FACFAS

2:10–2:20 pm
Plate and Screw Fixation Principles for the Medial and Lateral Malleoli
Travis A. Motley, DPM, FACFAS

2:20–2:30 pm
Dissection Approach and Fixation of Posterior Malleolar Fractures
Benjamin D. Overley, Jr., DPM, FACFAS

2:30–2:40 pm
Beyond the Plate and Screw — Alternative Fixation Options
Brian J. Burgess, DPM, FACFAS

2:40–2:50 pm
Stabilization of Soft Tissue Injury — Addressing Syndesmotic and Deltoid Ligament Rupture
Mark A. Prissel, DPM, FACFAS

2:50–6:00 pm
Lab

ACFAS has designated an unrestricted education grant from Stryker in support of this workshop.

Course Information | Saturday, February 26th
7:30–9:30 am

#36. MSK Ultrasound Workshop ($200)
Moderator: Albert Song, MD, Anup Alexander, MD
Faculty:
- Katherine E. Dux, DPM, FACFAS
- Aksone Nouvong, DPM, FACFAS

7:30–7:45 am
Preventing Pin Site Infections and Other Complications: Where is the Evidence?
Philip Basile, DPM, FACFAS

7:45–8:00 am
Successful Frame Application and Biomechanics of External Fixation
Katherine M. Raspovic, DPM, FACFAS

8:00–8:15 am
Acute vs. Gradual Correction: What Kind of Frame and When
Bradley M. Lamm, DPM, FACFAS

8:15–8:30 am
Applications of External Fixation in Trauma
Robert A. Probe, MD

8:30–8:45 am
Does EVERY Charcot Deformity Correction Require an External Fixator?
Caitin S. Zarick, DPM, FACFAS

8:45–9:00 am
No Other Option: Use of External Fixation to its Full Capability (5th Met, Forefoot)
Laurence G. Rubin, DPM, FACFAS

9:00–9:30 am
Q&A

#37. Exfix Is Not Just an Expensive Cast
Moderator: Jacob Wynes, DPM, MS, FACFAS
We will discuss external fixation in a manner that will leave the participants with a realistic expectation of its indications and technical pearls for application. The goal is to present this somewhat daunting adjunctive fixation tool in a way in which individuals understand the critical details in applying the frame and develop critical thinking strategies when dealing with complications.

7:30–7:45 am
Keeping Up with the Joneses: A Look at International History and Evidence
Adam E. Fleischer, DPM, MPH, FACFAS

7:45–8:00 am
Failure to Plan Is Planning to Fail
Danielle N. Butto, DPM, FACFAS

8:00–8:15 am
Large Bunion, Small Incision, Can We Get Proper Correction?
Michael W. Downey, DPM, FACFAS

8:15–8:30 am
Rapid and Reproducible — MIS Medial Displacement Calcaneal Osteotomy
Daniel B. Logan, DPM, FACFAS

8:30–8:45 am
Do We Cast or MIS Achilles Tendon Rupture Repair?
Aleksas Makulavičius

8:45–9:00 am
Neuropathic Deformity and Ulceration: Applications of MIS to the Neurogenic Foot
Noman A. Siddiqui, DPM, FACFAS

9:00–9:30 am
Q&A
### Course Information | Saturday, February 26th

#### 7:30–8:30 am

| #39. Endoscopy: Scope Is Not Just for Intra-articular Pathologies  
Moderator: George Tye Liu, DPM, FACFAS  
This session will focus on extra-articular scope procedures. The audience will learn techniques of those endoscopic procedures and their indication/contraindications. |
|---|---|
| 7:30–7:40 am  
Basics of Endoscopy  
Kyle S. Peterson, DPM, FACFAS |
| 7:40–7:50 am  
Gastroc Recession, EPF  
Jason A. Piraino, DPM, MS, FACFAS |
| 7:50–8:00 am  
Retro and Plantar Calcaneus Pathologies  
Jeffrey E. McAlister, DPM, FACFAS |
| 8:00–8:10 am  
Os Trigonum/Other Ossicle Resection  
William T. DeCarbo, DPM, FACFAS |
| 8:10–8:20 am  
Tendoscopy  
Michael H. Theodoulou, DPM, FACFAS |
| 8:20–8:30 am  
Q&A |

#### 8:30–9:30 am

| #40. Orthoplastics Is Not Just a Trend  
Moderator: Paul J. Kim, DPM, MS, FACFAS  
This session will focus on soft tissue reconstruction/surgical management of soft tissue defects of the foot and ankle. |
|---|---|
| 8:30–8:40 am  
Soft Tissue Coverage for Foot and Ankle Defects; How to Decide What the Best Option is for my Patient  
Peter J. Apel, MD, PhD |
| 8:40–8:50 am  
Local Flaps: Do They Really Work?  
John S. Steinberg, DPM, FACFAS |
| 8:50–9:00 am  
Does This Patient Need a Free Flap/Free Tissue Transfer? From Where?  
Byron L. Hutchinson, DPM, FACFAS |
| 9:00–9:10 am  
My Patient is Not a Candidate for a Flap, Now What?  
Javier La Fontaine, DPM, MS, FACFAS |
| 9:10–9:20 am  
Putting it all together; “Orthoplastics” Limb Salvage Case  
Asim Raja, DPM, FACFAS |
| 9:20–9:30 am  
Q&A |

#### 9:30–10:00 am  
Exhibit Hall/CME Break

#### 10:00 am–12:00 Noon

| #41. High Energy Trauma  
Moderator: George Tye Liu, DPM, FACFAS  
A demonstrative and illustration rich session guiding the audience through various methods of managing trauma with literature support and emerging concepts. Discussion regarding how to manage high energy traumatic injuries with evidence-based guidance. Surgical pearls and techniques to enhance patient outcomes. |
|---|---|
| 10:00–10:15 am  
The Vexing Pilon  
Keith D. Cook, DPM, FACFAS |
| 10:15–10:30 am  
Calcaneal Joint Depression Fracture Management  
Robert A. Probe, MD |
| 10:30–10:45 am  
Compartment Syndrome — Diagnosis and Treatment Algorithm  
Graham A. Hamilton, DPM, FACFAS |
| 10:45–11:00 am  
Talar Neck Fracture Management — Decreasing the Odds of AVN and Post–Traumatic DJD  
Justin J. Fleming, DPM, FACFAS |
| 11:00–11:15 am  
Going Ballistic — Gunshot Wound Management  
Michael A. Gentile, DPM, FACFAS |
| 11:15–11:30 am  
Exposing Degloving Injuries  
Alan A. MacGill, DPM, FACFAS |
| 11:30 am–12:00 Noon  
Q&A |
Course Information | Saturday, February 26th

10:00 am–12:00 Noon

#42. Low Energy Trauma
Moderator: Michael D. Dujela, DPM, FACFAS
This is a “Monday Morning” nuts and bolts session that focuses on decision making and tips to determine course of work up, interpretation of findings and implementation of an evidence-based treatment plan. Many members struggle with knowing how to technically perform an operation but not always being so comfortable knowing who needs it. Think of this as a session of evidence-based pathways for common problems that come into the office after a visit to the ER on a weekend.

10:00–10:15 am
Tips and Tricks “Minimally Displaced Intra-articular Hindfoot Fractures”
Mark H. Hofbauer, DPM, FACFAS

10:15–10:30 am
Tips and Tricks “All in on the Jones Fx Repair”
Michelle L. Butterworth, DPM, FACFAS

10:30–10:45 am
Tips and Tricks “Central Metatarsal Fractures”
Michael D. VanPelt, DPM, FACFAS

10:45–11:00 am
Tips and Tricks “Working Through the Subtle Lisfranc-Op vs Non-Op?”
Shane M. Hollawell, DPM, FACFAS

11:00–11:15 am
Tips and Tricks “Acute Peroneal Injuries in Lateral Ankle Sprain — When to Fix, When to Rehab”
Benjamin D. Cullen, DPM, FACFAS

11:15–11:30 am
Working through the Monday Office Ankle Fracture: The Role of Fibular Anatomy in Ankle Fracture and Syndesmosis Disruptions
Sandeep B. Patel, DPM, FACFAS

11:30–11:45 am
Achilles Tendon Rupture: Non-Operative Considerations
Jennifer C. Van, DPM, FACFAS

11:45 am–12:00 Noon
Q&A

12:00 Noon–2:00 pm
Lunch in the Exhibit Hall

#43. Complications That Only Cowgirls Can Fix
Moderator: Amber M. Shane, DPM, FACFAS
Panelists will present and discuss forefoot, reconstructive rearfoot/ankle, and trauma cases that endured complications due to complicating factors and comorbidity.

Panel:
- Danielle N. Butto, DPM, FACFAS
- Thanh L. Dinh, DPM, FACFAS
- Katherine E. Dux, DPM, FACFAS
- Katherine M. Raspovic, DPM, FACFAS
- Mitzi L. Williams, DPM, FACFAS

#44. Interdisciplinary Rodeo: “Takes a Team to Solve This Problem”
Moderator: Aksone Nouvong, DPM, FACFAS
Discuss perioperative management using an interdisciplinary approach to address complex patients undergoing foot and ankle surgery. Different medical specialist will give ten-minute didactics lectures followed by foot and ankle surgeon’s presentation of cases. Questions will be targeted towards the audience and the different medical specialists.

10:00–10:10 am
Do We Have Flow Down Yonder? Vascular Intervention and Pedal Perfusion
David L. Dawson, MD

10:10–10:20 am
Taking the Fussing Out of Pain Management in Opiate Dependent Patients
Garrett D. Starling, MD

10:20–10:30 am
The Wild West of Advanced Medical Imaging, Which Ones Are Best?
Glenn M. Garcia, MD

10:30–10:40 am
Welcome to the Antibiotic Shindig, New Drugs and Fighting Bugs
Bonnie C. Prokesch, MD

10:40–10:50 am
What’s with All the Ruckus Up There? Patient Optimization and Anesthesia Complications
Garrett D. Starling, MD

10:50–11:00 am
The No Bull Approach to Minimizing Pre-op Risk Factors for Non-union
Stephen A. Brigido, DPM, FACFAS

11:00–11:50 am
Case Report

11:50 am–12:00 Noon
Q&A
### Course Information | Saturday, February 26th

### #45. Everyday Pediatrics<br>Moderator: Mitzi L. Williams, DPM, FACFAS<br>Speakers will present on congenital complex foot and ankle deformities such as Talipes Equinovarus, Vertical Talus, and Tarsal Coalitions. We will encompass approaches to care in a child’s life from infancy to possible recurrences throughout development. Speakers will also highlight approaches to a pediatric neurologic exam and the influence neuromuscular disease has on deformities. Outside of congenital deformities, management of pediatric trauma will be discussed.

2:00–2:15 pm<br>**Congenital Clubfoot**<br>Matthew B. Dobbs, MD, FACS

2:15–2:30 pm<br>**Pediatric Hav**<br>Paul D. Dayton, DPM, MS, FACFAS

2:30–2:45 pm<br>**The World of Coalitions**<br>Mitzi L. Williams, DPM, FACFAS

2:45–3:00 pm<br>**Congenital Vertical Talus**<br>Matthew B. Dobbs, MD, FACS

3:00–3:15 pm<br>**Transitional Ankle Fractures**<br>Peter J. Apel, MD, PhD

3:15–3:30 pm<br>**Pediatric Equinus Management**<br>Michael S. Downey, DPM, FACFAS

### #46. Controversies in Total Ankle Arthroplasty: “Let Us Debate Over It!”<br>Moderator: Naohiro Shibuya, DPM, MS, FACFAS<br>Speakers will present cases and debate treatment options, highlighting indications, contraindications, techniques, tips, pearls, and complications.

2:00–2:15 pm<br>Ankle Arthrodesis<br>Michael S. Lee, DPM, FACFAS

2:15–2:30 pm<br>Ankle/Hindfoot Trauma<br>Mark A. Hardy, DPM, FACFAS

2:30–2:45 pm<br>Ankle Instability<br>Jeffrey E. McAlister, DPM, FACFAS

2:45–3:00 pm<br>Large Talar OCD<br>Brett D. Sachs, DPM, FACFAS

### #47. Scoping Out the Scope of Scopes: “Do I Really Need to Open This?”<br>Moderator: Kyle C. Fiala, DPM, FACFAS<br>Faculty will present cases and debate treatment options, highlighting indications, contraindications, techniques, tips, pearls, and complications.

2:00–2:15 pm<br>Ankle Arthrodesis<br>Michael S. Lee, DPM, FACFAS

2:15–2:30 pm<br>Ankle/Hindfoot Trauma<br>Mark A. Hardy, DPM, FACFAS

2:30–2:45 pm<br>Ankle Instability<br>Jeffrey E. McAlister, DPM, FACFAS

2:45–3:00 pm<br>Large Talar OCD<br>Brett D. Sachs, DPM, FACFAS

### #48. How I Woke Up from Hammertoe Nightmare<br>Moderator: Amber M. Shane, DPM, FACFAS

- Case Discussions
- MIS vs. Open
- K-wire vs. implant
- Swelling of the toe
- Floating Toe
- Infection
- Revision-short toe, bone grafting
- Neuromuscular issues

**Panelists:**
- Adam M. Budny, DPM, FACFAS
- Michael J. Cornelison, DPM, FACFAS
- Benjamin D. Cullen, DPM, FACFAS
- Michael W. Downey, DPM, FACFAS
- Scott C. Nelson, DPM, FACFAS
- Barry I. Rosenblum, DPM, FACFAS

### #44. How I Woke Up from Hammertoe Nightmare

- Case Discussions
- MIS vs. Open
- K-wire vs. implant
- Swelling of the toe
- Floating Toe
- Infection
- Revision-short toe, bone grafting
- Neuromuscular issues

**Panelists:**
- Adam M. Budny, DPM, FACFAS
- Michael J. Cornelison, DPM, FACFAS
- Benjamin D. Cullen, DPM, FACFAS
- Michael W. Downey, DPM, FACFAS
- Scott C. Nelson, DPM, FACFAS
- Barry I. Rosenblum, DPM, FACFAS

## Course Information | Sunday, February 27th

### 8:00–10:00 am

**#54. Recovery from the Depths of Despair: Rearfoot and Ankle Bail-Out Strategies**
*Moderator: Graham A. Hamilton, DPM, FACFAS*

Gain further insight into various fixation strategies for successful foot/ankle reconstruction while developing an understanding of the potential consequences and pitfalls associated with various procedures. Engage in critical appraisal of current technology and if this has surpassed more traditional means of performing these procedures.

### 10:00–10:15 am

**CME Break**

### 10:15 am–12:15 pm

**#55. Recovery from the Depths of Despair: Forefoot Bail-Out Strategies**
*Moderator: William T. DeCarbo, DPM, FACFAS*

Learn how to deal with different challenging forefoot complication situations. Join our panel as they share their case complications.

**Panel:**
- Luke D. Cicchinelli, DPM, FACFAS
- Michael J. Cornelison, DPM, FACFAS
- Daniel J. Hatch, DPM, FACFAS
- Laurence G. Rubin, DPM, FACFAS
Learning Objectives

Attendees of the American College of Foot and Ankle Surgeons Annual Scientific Conference will be able to:

Understand deformities of the foot and ankle that cause functional abnormalities and pain.
The panel of experts will review clinical diagnosis and the surgical management of the pediatric and the adult flatfoot and cavus foot. Operative interventions will be discussed including procedure selection and description of the accepted techniques. Pitfalls and complications of deformity correction will be discussed.

Appreciate the medical conditions leading to pathology in the foot and ankle.
The attendee will appreciate the underlying systemic diseases that affect planning and outcomes of surgical intervention. The attendee will identify common manifestations of systemic diseases in the lower extremity as well as understand how to prevent the complications related to these systemic diseases.

Evaluate and treat.
The attendee will become familiar with the clinical criteria used to evaluate and treat forefoot, midfoot, rearfoot, and ankle pathologies. Conservative and surgical treatments will be based on evidence-based literature and clinical knowledge provided from expert panels.

Utilize evidence-based guidelines on reducing operative complications.
The attendee will learn risk factors for undesirable outcomes in foot and ankle surgeries. The expert will discuss how those risk factors can apply to different patient populations.

Understand pathologies leading to foot and ankle pain and deformity.
The attendee will learn systematic approaches for evaluation of foot and ankle deformity as well as understand concomitant pathomechanics. The selection of diagnostic imaging modalities and how these studies influence the treatment method will be discussed. The content experts will review the trending research to help guide best standards of practice.

Treat traumatic injuries of the foot and ankle.
The attendee will recognize the various traumatic injuries and fractures that occur in the foot and ankle. The panel of experts will discuss diagnostic studies, surgical planning, surgical technique, and rehabilitation practices to manage these injuries.

Understand best practice guidelines and accepted practices.
Based on the clinical experiences of the panel of experts and the conclusions of the medical literature, the attendee will become familiar with optimal management strategies of foot and ankle conditions. The experts will discuss the current guidelines and consensuses and explain how to apply them in a daily clinical practice.

Recognize pediatric deformities presenting in the foot and ankle.
The attendee will recognize common of pediatric foot and ankle deformities. Clinical diagnosis, proper selection of surgical procedures, and timing and techniques will be emphasized to demonstrate proper management of pediatric foot and ankle pathologies.

Examine the role of imaging in diagnosing foot and ankle conditions.
The attendee will examine the available imaging studies to effectively evaluate foot and ankle abnormalities and treatment planning. Manage patient cases involving staging principles, positioning, and fluoroscopy methods.

Develop and refine surgical acumen and skills through lectures and workshops.
Attendees will learn surgical techniques through hands-on workshops emphasizing tissue handling, use of latest implant, and prevention of complications guided by experts in the field.

Establish ethical practices.
The attendee will be exposed to common ethical considerations relating to the practice of medicine and understand the multifaceted nature of the doctor-patient relationship. The changing landscape of healthcare with the influence of e-visits, social media, healthcare policy, and digitalization of medical records will be discussed.
## How to Register

</tbody>
</table>

| FAX | |
| Complete the registration form and fax with full payment to **773.693.9304** or **800.382.8270** |

| MAIL | |
| Complete the registration form and mail with full payment to: |
| ACFAS 2021 Annual Conference |
| 8725 West Higgins Road, #555 |
| Chicago, IL 60631 |

Payment via Check, American Express, MasterCard, Visa. Note: Your registration confirmation will be e-mailed.

### Cancellation Policy Deadline is January 31, 2022.
Cancellation requests must be submitted in writing to hjelm@acfas.org to receive a refund less a $100 administrative fee. No refunds will be provided after this date. Exceptions will be considered for extenuating circumstances only, such as medical issues or a death in the family.

### Attendees with Special Needs/Kosher Meal Requests
If you have special needs addressed by the Americans with Disabilities Act, or special dietary needs, notify the ACFAS at the time you register. Phone: **800.421.2237**; e-mail: hjelm@acfas.org. Kosher lunches will not be available unless requested by January 31, 2022. Be sure to check the box on Page 1 of the Registration Form.

### Special Categories
Online registration is NOT available.
Submit completed registration form without payment and any required forms via e-mail to registration@acfas.org, fax to **800.382.8270** or by mail. Once your registration is approved you will be notified and a link for payment will be provided.

#### Non-ACFAS Member Residents
Non-ACFAS Member Residents can register online but must submit a letter (on letterhead) from their Residency Director verifying their Resident status.

#### Students
Students can register online but must submit a copy of their student ID card.

#### Active U.S. Military
Active U.S. Military cannot register online to receive the discounted rate. Include a photocopy of your military ID with your registration form.

### U.S. Allied Health RN, LPN, PA, PA-C, ATC, CST, OTC, DPT, PT, working in a podiatry practice or institution providing hands-on patient care must submit a copy of current medical license and a signed and currently dated letter of sponsorship from your employing physician or institution.

### U.S. Podiatry Practice Staff
Working in a podiatry practice or institution and providing patient services — practice administrator, office manager, office assistant, medical records and insurance billing and coding staff — must submit a signed and currently dated letter of sponsorship from your employing physician or institution on practice letterhead stating you are currently employed, role in the practice and reason for attending the conference. (This category does not include physicians, scientists, researchers/PhD, purchasers, CEO, COO, director level titles, industry representatives, marketers, public media personnel.)

### Commercial Representatives (non-exhibiting Industry)
New, potential exhibitors (one-time registration only) may register a maximum of two representatives from a non-exhibiting commercial company to view the exhibit hall under the “Commercial Representative” category. Online registration is not available; College approval is required. For further details regarding this registration category, contact Maggie Hjelm at hjelm@acfas.org.

### Family Badges
Family Badges are available for spouses (non-physician) and/or children 14 years and older. Includes Opening Reception and admittance to Exhibit Hall (breaks/lunch).
### CONFERENCE FEES

**SPECIAL CATEGORIES** see “How to Register” on previous page.

Disclaimer
The ACFAS Annual Scientific Conference is made available as an educational service to its members and other members of the medical profession. ACFAS has not independently evaluated the content or techniques discussed or demonstrated by any faculty member. ACFAS does not warrant or endorse any content or technique discussed or demonstrated by any faculty member. Statements about commercial products are solely the opinion(s) of the presenter(s) and do not represent a College endorsement or evaluation of these products. Additionally, any instrumentation shown/demonstrated during this program may or may not have received FDA approval.

Photographs/Videos
Audio/video taping or recording or photographing of sessions is prohibited.

ACFAS routinely takes photos or video of participants in meetings and other conference venues for news and other purposes. By registering for the conference, you grant ACFAS permission to utilize photos of you taken at the conference for ACFAS purposes.

Conditions of Registration and Attendance
To protect the rights of our exhibitors and the value of our exhibit space, the ACFAS Annual Scientific Conference and the meeting space in which ACFAS events are conducted are not to be used as a venue for marketing products, services, meetings, publications, sponsorships, or memberships except for authorized organizations that purchase exhibit space. Any non-exhibitor found to be in violation of this policy shall be invoiced the fee for one exhibit booth and shall not be admitted to the exhibit hall until such fee is paid in full regardless of membership status.

ACFAS reserves the right to regulate the use of all hotel space in which ACFAS events are conducted, including but not limited to the distribution of promotional materials to guest or meeting rooms. Meeting rooms and hospitality suites may be available for rental by exhibitors and/or organizations authorized by ACFAS. Speakers are requested not to promote non-ACFAS programs since the College cannot attest to the content or quality of such events and such promotion could be interpreted as an endorsement of said event(s). ACFAS reserves exclusive right to modify, postpone/reschedule or cancel programs for any reason, including but not limited to emergency, inclement weather, or other ‘acts of God.’ Every attempt will be made to reschedule and registration fees will be applied to the rescheduled event date. Any travel, lodging, or incidental expenses incurred cannot be refunded by ACFAS under any circumstance. You may wish to consider personal travel insurance for such expenses. If a canceled event cannot be rescheduled, ACFAS will determine an equitable basis for the refund of a portion, or all, of the registration fee.

Note: Program content and faculty are subject to change.

Tax Deduction for Education Purposes
In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals, and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5: Coughlin v. Commissioner, 203 F.2d 307 (2d Cir.1953)).
