Join Us for a Full Day of Resident Learning!
New for this year — a full day of learning just for residents on Wednesday, February 23. In the morning, register for the popular Residents Day program to hear from your colleagues with tips from finishing your residency to transitioning to a successful practice. Then finish the day with the brand-new program, Coding Fundamentals, where you'll learn the foundation of the coding and billing process from expert colleagues to get a head start before taking the full ACFAS Coding and Billing for the Foot and Ankle Surgeon course.

You can register for one course or both. **Take advantage of special bundle pricing if you take both courses.**

Residents Day 2022

Wednesday, February 23, 2022

9 am-2:15 pm

Hilton Austin

Don't miss our annual **Residents Day** and hear from experienced foot and ankle surgeons with tips from finishing residency strong to transitioning to a successful practice. The day starts with topics such as understanding the ins and outs of CPME's 320 Standards; learning skills for conflict resolution and advice on dealing with issues of harassment; and insight on how to establish work/life balance. We'll finish the day with tools to help with your post-residency life, such as how to promote yourself properly; the importance of proper documentation and informed consent; and advice on deciding between heading toward a fellowship, or moving straight into practice, and how to find a job.

Continue your afternoon of resident learning by attending the **Coding Fundamentals** course designed for residents and new practitioners to learn the foundation of the coding and billing process from expert colleagues before taking the full ACFAS Coding and Billing for the Foot and Ankle course. Bundle pricing is available for both courses.

Breakfast, a refreshment break and networking lunch are included with your registration fee for Residents Day. Take control of this important step in your career – register today for both programs.

Registration Cancellation
All cancellations must be received in writing, via e-mail to **sheila.alegria@acfas.org**, fax or mail. ACFAS incurs significant expenses prior to the event, so to minimize losses it is necessary that we maintain the following refund and cancellation policy:

Requests received by January 31, 2022: A full refund will be provided for all cancellations, less an administrative fee.

Administrative Fees:
Residents Day $35
Coding Fundamentals $40
Residents Day and Coding Fundamentals Bundle $50

After January 31, 2022: No refunds will be provided. Exceptions will be considered for extenuating circumstances only, such as medical issues or a death in the family.

An alternate attendee from the same organization may be substituted at any time prior to the conference start with no penalty. However, if the original attendee is an active member and alternate is not, the difference in member/non-member rate must be paid at the time of substitution.

Event Cancellation/Postponement
ACFAS reserves the exclusive right to modify, postpone/reschedule or cancel programs for any reason, including but not limited to emergency, inclement weather, or other 'acts of God.' Every attempt will be made to re-schedule and registration fees will be applied to the rescheduled event date. Any travel, lodging, or incidental expenses incurred cannot be refunded by ACFAS under any circumstance. You may wish to consider personal travel insurance for such expenses. If a cancelled event cannot be rescheduled, ACFAS will determine an equitable basis for the refund of a portion, or all, of the registration fee.
