

American College of
Foot and Ankle Surgeons®
Proven leaders. Lifelong learners. Changing lives.

time to **REBOOT**

ACFAS 2022
Scientific Conference

Austin, TX | 2.24-2.27
Austin Convention Center

acfas.org/Austin

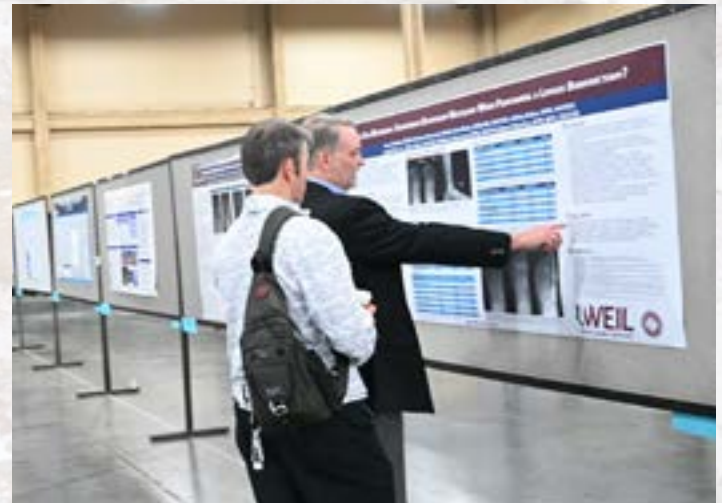

Don't mess with Texas – join us for ACFAS 2022

- ★ Learn about the latest advances in foot and ankle surgery, with the most advanced curriculum in the profession.
- ★ Connect and collaborate with fellow surgeons who experience similar issues in the workplace.
- ★ Join the highest “repeat attendance” of any podiatric conference.
- ★ Reignite your passion and leave feeling inspired and energized.

Where else can you find . . .

- ★ **26 CE Contact Hours** (up to 34 including pre-conference workshops)
- ★ Cutting edge clinical topics
- ★ The most trusted and respected speakers
- ★ Hands-on cadaver workshops
- ★ Award-winning research presented in manuscripts and over 300 scientific posters
- ★ PICA session—attend and be eligible for **15% premium discount**
- ★ More than 140 exhibitor companies

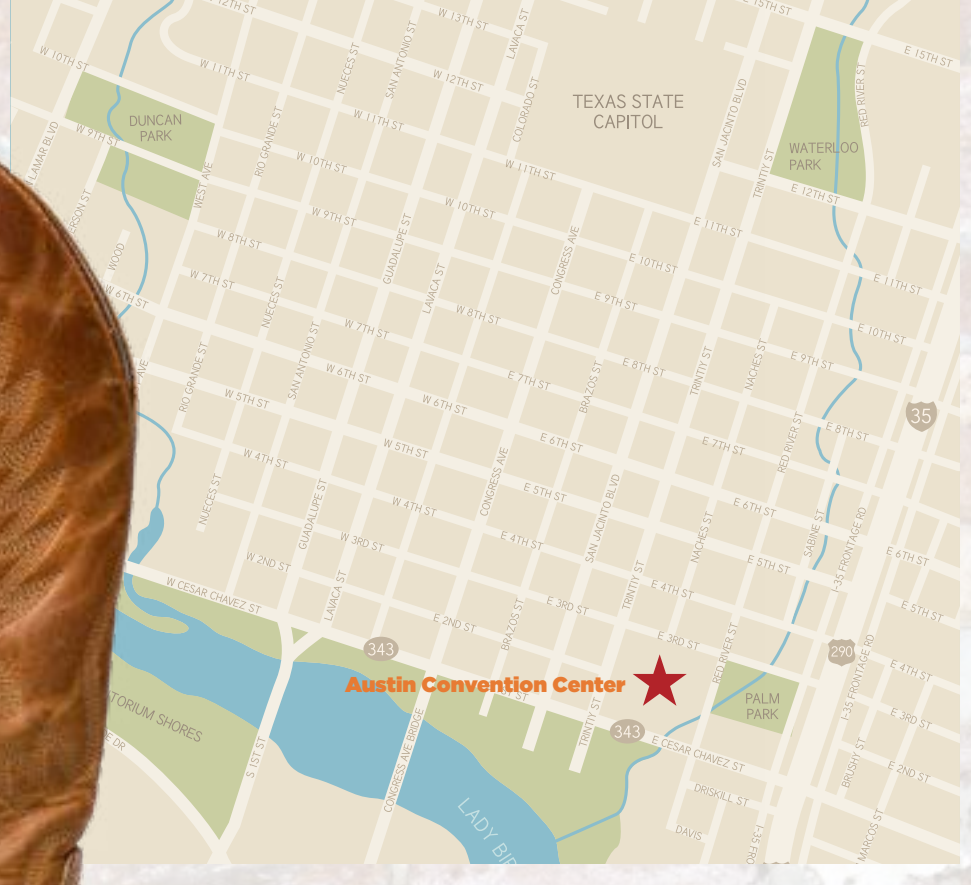

Come together and join your peers in Austin!

These boots were made for AUSTIN

Join ACFAS in a capital city. Whether you come for the captivating sessions, hands-on workshops, or to reconnect with colleagues, ACFAS offers four days of learning as unique and as vibrant as the city of Austin itself!

Getting There

There are numerous daily flights in and out of Austin. The Austin-Bergstrom International Airport is a 20-minute taxi ride to the hotel. Uber and Lyft are \$18-\$25, or taxi fare is approximately \$30.

Hotel Information

Book your hotel room at onPeak, our official housing partner, through the ACFAS website at acfas.org/Austin. Make your reservation online, call **(800) 950-5542** or e-mail acfas@onpeak.com.

What to Wear

Business casual attire is ideal for ACFAS events. Average February highs are at 60-70 degrees and average lows are 40-50 degrees.

Special Events

Thursday, February 24

12:30–2:00 pm*

Poster Grand Rounds—Meet Scientific Poster Authors

Don't miss the profession's largest scientific poster display with award-winning research studies from around the world. Authors are encouraged to be at their display to answer questions.

*New this year! Scientific Committee Choice Award

Scientific poster presenters are invited to present their posters to the Annual Scientific Committee and vie for the Scientific Committee Choice Award to be announced during the honors and awards ceremony.

5:15–6:15 pm

Resident and Student Networking at the Hilton Austin (by invitation)

Sponsored in part by ABFAS

Just for invited residents and students. You'll meet with ACFAS and ABFAS Board members and also meet your new professional peers. Don't miss the great food, beverages, and prize drawings.

AMERICAN BOARD OF
FOOT AND ANKLE SURGERY

6:15–7:30 pm

The Premier Connection—Opening Event at the Hilton Austin

Sponsored in part by In2Bones

Relax and reconnect with your colleagues before heading out to dinner. Meet and greet classmates, colleagues, and new friends, while enjoying an assortment of great food, beverages, and music.

A GLOBAL EXTREMITY COMPANY

Friday, February 25

12:00 Noon–1:00 pm

ACFAS Honors and Awards Ceremony

Congratulate your colleagues who win Manuscript, Poster, Honor, and Merit Awards. The year's best research will be recognized. In addition, new Fellows will be presented their College keys and the 2022/23 Board of Directors will be introduced.

1:00–2:00 pm

Poster Grand Rounds—Meet Scientific Poster Authors

Don't miss the profession's largest scientific poster display with award-winning research studies from around the world. Authors are encouraged to be at their display to answer questions.

Saturday, February 26

6:30–7:30 am

Fellowship Breakfast Fair

Are you interested in learning more about the more than 50 fellowship programs holding ACFAS status? ACFAS invites you to the Annual Fellowship Breakfast Fair. Stop in, grab a coffee, and chat with various fellowship programs.

7:00 pm

Wrap Party at Lustre Pearl

Join us to close out ACFAS 2022 in style at the Lustre Pearl, one of Austin's most popular musical venues. Celebrate with your fellow colleagues for one last evening in the Lone Star State.

Throughout the Conference

Eighth Annual ACFAS Job Fair

Stop by the annual ACFAS Job Fair in booth #1107 of the ACFAS 2022 Exhibit Hall to post your CV or an open position! Hosted by [PodiatryCareers.org](https://www.podiatrycareers.org), the Job Fair invites available candidates to post their CVs on the Job Fair bulletin boards and employers to post descriptions of open jobs.

Complimentary CV Review is Back

ACFAS will again be offering complimentary CV review at ACFAS 2022 in Austin. Spots are limited, so be sure to stop by the ACFAS Job Fair booth #1107 in the exhibit hall to sign up!

HeadShotLOUNGE™

Booth #159

Available Friday and Saturday... includes a brief meet and greet with a make-up artist and a photo shoot. You will receive a hard copy of the photo and an electronic version.

Special Events

ACFAS Region Membership Meetings

Each of the nine ACFAS Regions will be holding a meeting of its members in conjunction with the ACFAS Scientific Conference in Austin. Attend your Region's meeting to meet and network with your Region's officers and have a hand in the plans for the

Region for the upcoming year. Also, press your luck: All ACFAS members who attend their Region meetings will be placed in a Region drawing to win a \$100 Amazon Gift Card. Your raffle ticket will be distributed at your Region meeting.

Thursday, February 24

1:00-2:00 pm

- Gulf States Region (AL, AR, LA, MS, OK, TX)
- Midwest Region (IL, IA, MN, MO, WI)
- Northeast Region (CT, ME, MA, NH, NY, ON, QC, RI, VT)

Friday, February 25

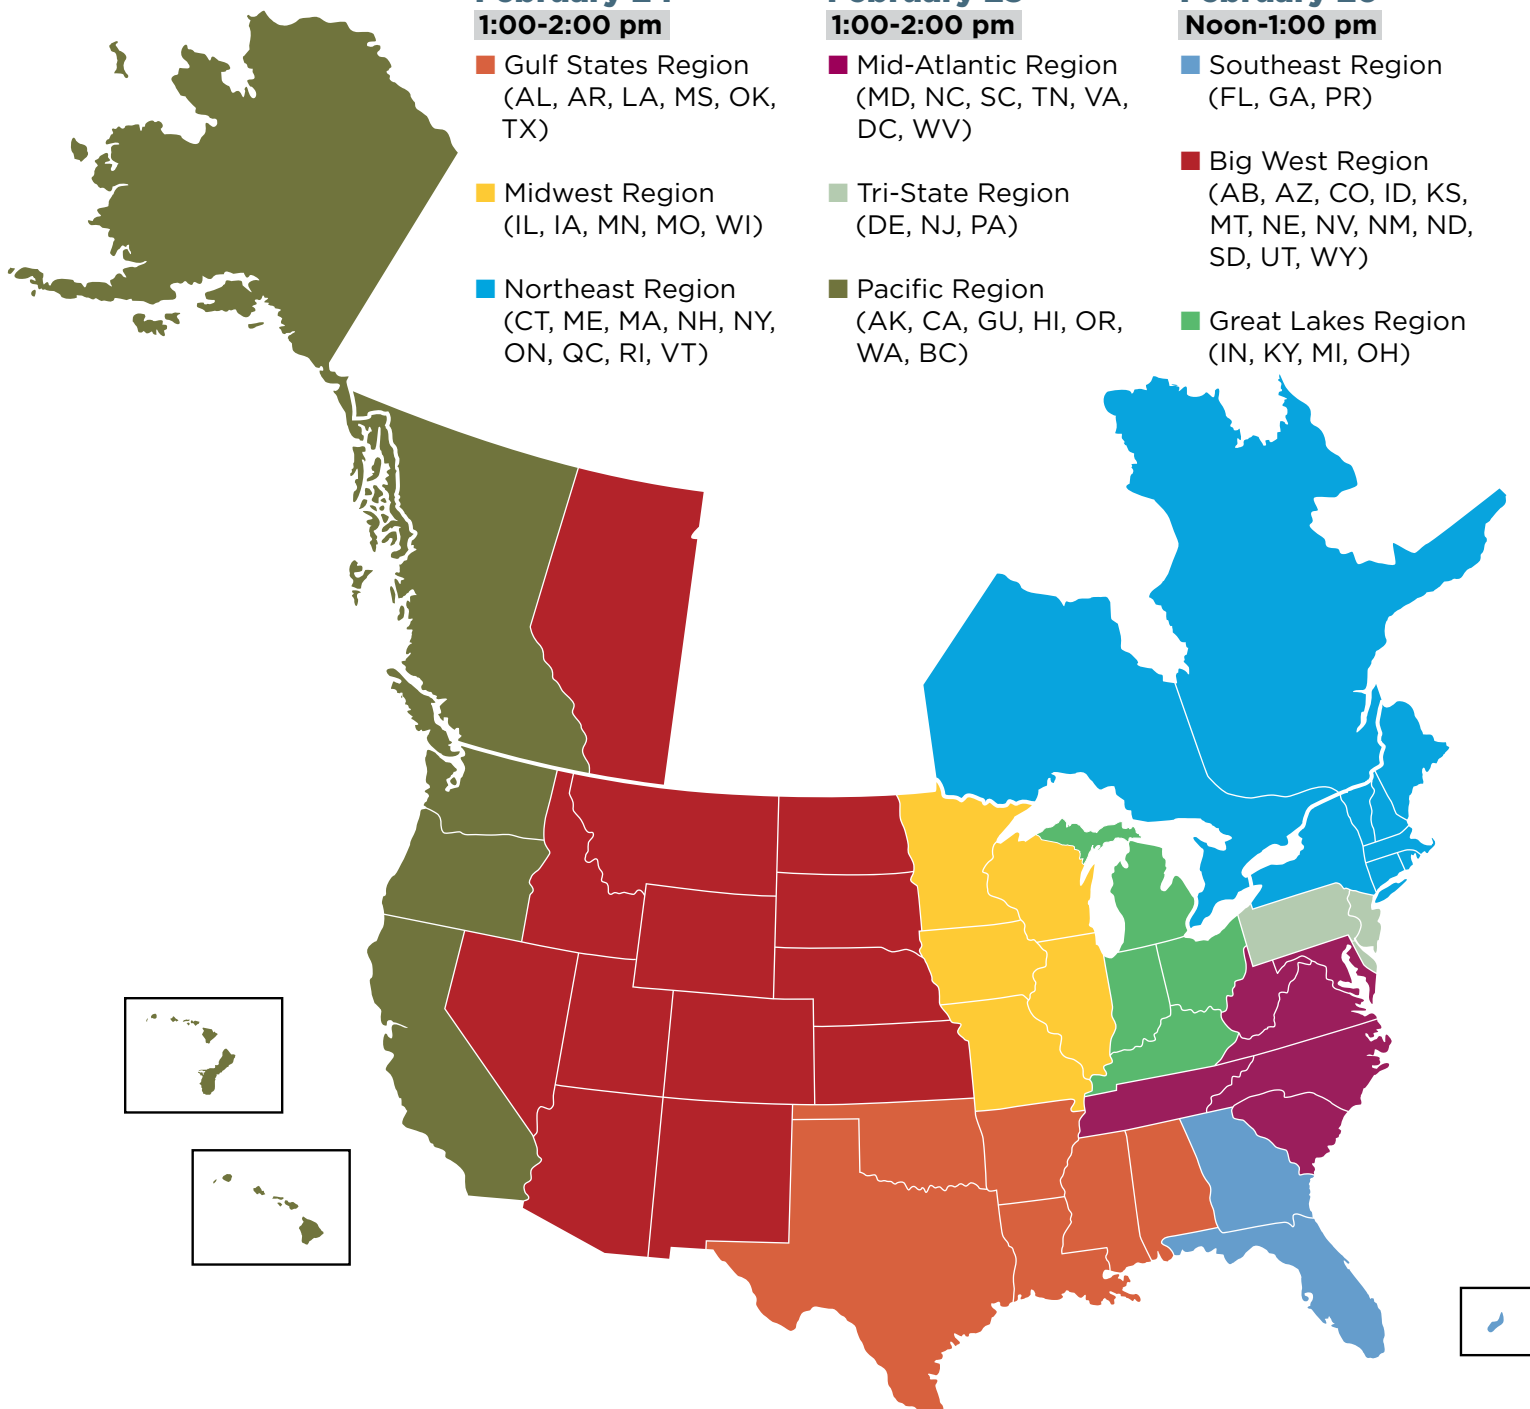

1:00-2:00 pm

- Mid-Atlantic Region (MD, NC, SC, TN, VA, DC, WV)
- Tri-State Region (DE, NJ, PA)
- Pacific Region (AK, CA, GU, HI, OR, WA, BC)

Saturday, February 26

Noon-1:00 pm

- Southeast Region (FL, GA, PR)
- Big West Region (AB, AZ, CO, ID, KS, MT, NE, NV, NM, ND, SD, UT, WY)
- Great Lakes Region (IN, KY, MI, OH)

the HUB Schedule

the HUB is back for ACFAS 2022! Our open-space theater is the go-to spot on the exhibit hall floor for lively, interactive learning. Come engage with your peers on a variety of topics you might not find anywhere else!

Time	Thursday, February 24	Friday, February 25	Saturday, February 26
10:00 am	1. "Let's Talk"—Lessons Learned from Your Complicated Cases	7. Balancing Act/Controlled Chaos—Tips for Maintaining a Work/Life Balance	13. Know Your Worth & When to Make a Move
11:00 am	2. Developing a Product	8. The Fellowship Experience: Is Advanced Training Right for You?	14. Contracts: What Should I Be Sure to Negotiate
12:00 Noon	3. Working with Industry—Pros and Cons	9. Everything You Need to Know About ABFAS Certification	15. How to Branch Out
1:00 pm	4. Remaining Independent	10. Denying Surgery in the Persistent Patient	16. Let's Talk About the New ABFAS LEAD Continuous Certification Program
2:00 pm	5. RVUs and You	11. Introducing FASTRAC!	
3:00 pm	6. Residency Directors Panel	12. Office Emergencies	

Thursday, February 24

10:00 am

1. "Let's Talk"—Lessons Learned from Your Complicated Cases

We all have had complicated cases. Ever wanted to get a second opinion on how others may have handled it? Bring your complicated case to this HUB session to discuss it with our speakers and share it with the group!

Glenn M. Weinraub, DPM, FACFAS
Michael S. Downey, DPM, FACFAS

11:00 am

2. Developing a Product

You have a great idea for a new product. Now what? In this exciting HUB session, learn from speakers who have been in your shoes. They will share their experiences taking a provisional idea from concept to reality and everything in between!

Michael S. Lee, DPM, FACFAS
Thomas S. Roukis, DPM, PhD, FACFAS

12:00 Noon

3. Working with Industry—Pros and Cons

From being on the cutting edge of new technologies to consulting work, there are many benefits to partnering with industry. In this session, we'll learn the pros and cons as our speakers cover such topics as:

- Consulting work
- Negotiating contracts
- Time investment

Shane M. Hollawell, DPM, FACFAS
Amber M. Shane, DPM, FACFAS

1:00 pm

4. Remaining Independent

In a world of mergers, multi-disciplinary, and hospital-based practices, is it realistic to think you can stay in private practice? Learn some tactics from our speakers on how to remain independent!

Frank A. Luckino, III, DPM, FACFAS
Daniel B. Logan, DPM, FACFAS

2:00 pm

5. RVUs and You

RVU-based compensation is becoming more mainstream every year. This session will discuss the RVU system, how it differs from traditional collections-based compensation, and important things to know when negotiating RVU based contracts.

Christopher D. Lotufo, DPM, FACFAS
Troy J. Boffeli, DPM, FACFAS

3:00 pm

6. Residency Directors Panel Discussion

Moderators: Karla De La Mata, DPM; Ramez Sakkab, DPM
Panelists: Richard Derner, DPM, FACFAS; Elianne Nasser, DPM, FACFAS; and David Waters, DPM, FACFAS

Our residency directors' panel is back for another year to answer all your questions—from how to stand out as an applicant to ways to ace the interview! Join us to ensure that you have as much information as possible before making your "Match" list. Some of the topics addressed will include:

- Determining which residency program is the best fit for you
- Figuring out what you want from a residency program
- Ways to stand out as a podiatric student applicant
- Interview process—keys to success and winning them over

Friday, February 25

10:00 am

7. Balancing Act/Controlled Chaos—Tips for Maintaining a Work/Life Balance

With physician burnout on the rise, it is more important than ever for physicians to manage stress and maintain an appropriate work-life balance. This is a candid discussion on the reality of burnout and physician stress, depression, and anxiety focused on methods of coping and seeking help when needed.

Lawrence A. DiDomenico, DPM, FACFAS
Luke D. Cicchinelli, DPM, FACFAS

the HUB Schedule

11:00 am

8. The Fellowship Experience: Is Advanced Training Right for You?

Moderator: Jayson Atves, DPM, AACFAS

Panelists: Shirley Chen, DPM, AACFAS; John Miller, DPM, AACFAS; Jacob Wynes, DPM, FACFAS

Are you curious about the ACFAS Fellowship experience? Hear advice from recently graduated and current fellows to determine if a fellowship is right for you. This session will cover how to make an informed decision on fellowship; how to be a competitive applicant; how to choose the right program; how to maximize your fellowship experience; and the unexpected benefits of participating in a fellowship. Additionally, we will provide time for questions from the floor.

12:00 Noon

9. Everything You Need to Know About ABFAS Certification

Amerly C. Paradoa, DPM, FACFAS, ABFAS President

Jeffery L. Giesking, DPM, FACFAS, ABFAS President-elect

1:00 pm

10. Denying Surgery in the Persistent Patient

The best surgeons know when to operate and what the red flags are to be aware of for elective surgery patients.

Michael D. Dujela, DPM, FACFAS

Brett D. Sachs, DPM, FACFAS

2:00 pm

11. Introducing FASTRAC!

Dr. Roukis speaks on how to submit articles to the new journal and what makes it different than JFAS.

Thomas S. Roukis, DPM, PhD, FACFAS

3:00 pm

12. Office Emergencies

Are you prepared should a patient emergency occur in your office?

This talk is focused on common patient emergencies that may occur in your office and the appropriate treatment and response.

Brandi M. Johnson, DPM, FACFAS

Jonathan J. Sharpe, DPM, FACFAS

Saturday, February 26, 2022

10:00 am

13. Know Your Worth & When to Make a Move

Moderator: Zack Dawson, DPM, AACFAS

Panelists: Christopher Hood Jr., DPM, FACFAS; Chandana Halaharvi, DPM, AACFAS

Thinking about changing jobs? About to renegotiate your contract? Attend this HUB session to learn more about your options, the right time to make a move, and knowing your worth. Panelists will discuss various practice models, red flags to look for in your current employment, and how to approach the difficult conversation of giving notice. Contract review will also be covered, including how to formulate your "ask" and how to negotiate to maximize your potential. This session is not to be missed, especially for residents and young practitioners.

11:00 am

14. Contracts: What Should I Be Sure to Negotiate

Maryellen Brucato, DPM, FACFAS

Bela Pandit, DPM, FACFAS

Elianne Nasser, DPM, FACFAS

12:00 Noon

15. How to Branch Out

Fresh in mid-career these members made the decision to start over ... learn first-hand how these regular members turned into trail blazers.

Mindi J. Dayton, DPM, FACFAS

Paul D. Dayton, DPM, MS, FACFAS

1:00 pm

16. Let's Talk About the New ABFAS LEAD Continuous Certification Program

Christopher D. Lotufo, DPM, FACFAS, ABFAS, Continuous Certification Chair

Schedule at a Glance

Wednesday, February 23

Conference Registration

1:00-6:00 pm

Visit acfas.org/Austin for information about Pre-Conference Workshops

Time	Thursday, Feb. 24	Friday, Feb. 25	Saturday, Feb. 26	Sunday, Feb. 27
6:30 am-5:00 pm	Registration	Registration	Registration	
6:30-7:30 am			Fellowship Breakfast Fair	
7:30-10:00 am Instructional Courses	7:30-8:30 am 1. Techniques in 2nd MPJ Surgery 2. How I Evolved in my Practice: "I'd Never Go Back to That Again!"	7:30-9:30 am 18. Controversies in First Ray Surgeries 19. Decision-making Process in Flatfoot Reconstruction 20. All the Imaging Techniques, as Big as Texas 21. Surgery That Went South... Deep South 22. PICA	7:30-9:30 am 37. Exfix Is Not Just an Expensive Cast 38. MIS is Not Just About Smaller Incisions 7:30-8:30 am 39. Endoscopy: Scope Is Not Just for Intra-articular Pathologies 8:30-9:30 am 40. Orthoplastics Is Not Just a Trend	7:30-8:00 am Breakfast 8:00-10:00 am 54. Recovery from the Depths of Despair: Rearfoot and Ankle Bail-Out Strategies
8:45-10:00 am	3. Opening General Session

	5:15 pm Resident and Student Networking (by invitation) at Hilton Austin 6:15 pm The Premier Connection (Opening Reception) at Hilton Austin		6:30 pm Wrap Party at Lustre Pearl (\$65)	

ACCREDITATION

The American College of Foot and Ankle Surgeons (ACFAS) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The ACFAS has approved this activity for a maximum of 26 continuing education contact hours.

CALIFORNIA RADIOLOGY CREDIT

Every hour of lecture in scientific sessions can confer up to 0.5 hours of radiology credit.

ATTENDANCE AND CME CREDITS SCANNING

Attendance at this conference and CME credits will be recorded electronically by scanning the barcode

on the front of your badge. Five (5) scanning stations will be in the Exhibit Hall during breaks Thursday, Friday, and Saturday mornings, and on Saturday afternoon and Sunday morning on Level 4.

Course Information | Thursday, February 24th

7:30-8:30 am

#1. Techniques in 2nd MPJ Surgery

Moderator: Katherine E. Dux, DPM, FACFAS

Video guided technique for various plantar plate repair approaches.

7:30-7:40 am

Plantar Plate Repair — Direct Plantar Approach

Mark A. Prissel, DPM, FACFAS

7:40-7:50 am

Anatomic Reconstruction of the Lesser Metatarsophalangeal Joint

Matthew E. Williams, DPM, FACFAS

7:50-8:00 am

Plantar Plate Repair — Dorsal Approach with Weil Osteotomy

Adam E. Fleischer, DPM, MPH, FACFAS

8:00-8:10 am

Salvage Procedures to Address Failed Repair of Plantar Plate Injury

Sean T. Grambart, DPM, FACFAS

8:10-8:30 am

Panel Discussion

#2. How I Evolved in my Practice: "I'd Never Go Back to That Again!"

Moderator: Naohiro Shibuya, DPM, MS, FACFAS

The audience is to learn how to maximize surgical outcomes by observing experienced surgeons discuss reasons for changing his/her practice pattern on certain pathologies over time. The panelists will discuss, with actual cases, how and why she/he evolved.

Panel:

- Thomas J. Chang, DPM, FACFAS
- Luke D. Cicchinelli, DPM, FACFAS
- Michael S. Downey, DPM, FACFAS
- Laurence G. Rubin, DPM, FACFAS
- Lowell Weil, Jr., DPM, MBA, FACFAS

8:45-10:00 am

#3. Opening General Session

Speaker: Dr. Myron Rolle

This year's featured keynote speaker is Dr. Myron Rolle. Dr. Rolle is a former NFL safety, a Rhodes Scholar and a neuroscience resident at Massachusetts General Hospital. A rare combination of experience in the fields of education, sport and medicine, Dr. Rolle's career has taken him from the football field to the front lines, as he currently works and volunteers to aid the hospital in the fight against the COVID-19 global pandemic.

The 2% Way is a mantra that Dr. Rolle lives by, which was instilled in him by his former coach at Florida State, Mickey Andrews. This belief permeates every aspect of his life — from practicing medicine to raising his family to encounters with friends or strangers to running his foundation — as he seeks 2% daily improvement in everything he does. Dr. Rolle will walk the audience through the highs and lows of this football and medical journey, which started in the Bahamas, to present day at Mass General Hospital/Harvard Medical School, all hoping viewers can take 2% of his message and apply it to some aspect of their lives.

10:00-10:30 am

Exhibit Hall/CME Break

Course Information | Thursday, February 24th

10:30 am-12:00 Noon

#4. International HAV Symposium

Moderator: Naohiro Shibuya, DPM, MS, FACFAS

10:30-10:42 am

Patient-Reported Clinical Outcomes After Salvage Procedure for Postoperative Hallux Varus Complication

Byung-Ki Cho, MD, PhD (South Korea)

10:42-10:54 am

Radiographic Factors Determining Outcome After Hallux Valgus Correction

Gerhard Kaufmann, MD (Austria)

10:54-11:06 am

Patient Reported Function Following First MTP Joint Arthrodesis for HAV

Paul D. Dayton, DPM, MS, FACFAS (United States)

11:06-11:18 am

Series of 3D Printed Patient-Specific Instrumented Lapidus Surgery for Hallux Valgus

Samuel K.K. Ling, MBChB, ChM, MRCSEd, FHKCOS, FRCSEd, FHKAM (Hong Kong)

11:18-11:30 am

Anatomy of the Dorsomedial Cutaneous Nerve to Hallux and Surgical Implications According to the Severity of Hallux Valgus Deformity: A Cadaveric Study

Sérgio Soares, MD (Switzerland)

11:30-11:42 am

Translation and Cross-Cultural Adaptation of Foot Function Index in Iranian Patients

Farshad Okhovatian (Iran)

11:42-11:56 am

Multivariate Analysis of Hallux Valgus Radiographic Parameters

Andrew J. Meyr, DPM, FACFAS (United States)

11:56-12:00 Noon

Wrap-up

#5. You CAN Handle the Truth: Medical Legal Discussion

Moderator: Michael S. Downey, DPM, FACFAS

A review of the medical malpractice landscape with inclusion of a lecture given by a plaintiff medical practice attorney and incorporating faculty who have had extensive experience in the medical legal arena to impart some anecdotes and strategic considerations.

10:30-10:50 am

Myths and Reality of a Malpractice Case from the Plaintiff Perspective

Eric H. Weitz, Esq.

10:50-11:00 am

This Case Could Have Gone Either Way

Barry I. Rosenblum, DPM, FACFAS

11:00-11:15 am

The Medical Malpractice Timeline: Event to Trial

Eric H. Weitz, Esq.

11:15-11:30 am

Does Defensive Medicine Really Exist?

Christopher L. Reeves, DPM, MS, FACFAS

11:30-11:40 am

I Could Have Seen This Coming... Mitigating Risk

Michelle L. Butterworth, DPM, FACFAS

11:40-11:50 am

The Experts

Richard Derner, DPM, FACFAS

11:50-12:00 Noon

Q&A

#6. Can You Handle the Infection?

Moderator: John S. Steinberg, DPM, FACFAS

This multidisciplinary session will focus on multiple aspects of foot and ankle infection ranging from diagnosis, imaging, antibiotic treatment, and surgical management.

10:30-10:45 am

Inflammatory Markers: Can They Help Differentiate Between Soft Tissue and Bone Infection?

Katherine M. Raspovic, DPM, FACFAS

10:45-11:00 am

Advanced Imaging and Osteomyelitis; What Are my Options and What is the Best?

Avneesh Chhabra, MD

11:00-11:15 am

Bone vs. Soft Tissue Infection; What Antibiotic and How Long? What Does the Latest Evidence Say?

Bonnie C. Prokesch, MD

11:15-11:30 am

Role of Local Antibiotic Delivery/Cement Spacers for Treatment of Bone Infection

Michael A. Gentile, DPM, FACFAS

11:30-11:45 am

When Can Osteomyelitis of the Foot be Treated with Antibiotics Alone?

Bonnie C. Prokesch, MD

11:45-12:00 Noon

Q&A

#7. How to Handle the Ankle Instabilities

Moderator: Ryan B. Rigby, DPM, FACFAS

Looking at the medial ankle and whether surgical treatment is even viable, when is it a pain generator and with subtle instability what can we do about it. Academic dive into the advanced levels of chronic lateral ankle instability and how anatomic variations and pathoanatomy relates to functional proprioceptive deficits. Analysis of acute and chronic subtle syndesmosis injury is it something that should be surgically managed.

10:30-10:40 am

Deltoid and Beyond, The Dysfunctional Medial Ankle

Ryan T. Scott, DPM, FACFAS

10:40-11:00 am

Peroneal Tendon Issues Associated With Ankle Instability

Keith L. Jacobson, DPM, FACFAS

11:00-11:10 am

When the Primary Repair Fails: Secondary Reconstruction Success

Mark A. Prissel, DPM, FACFAS

11:10-11:20 am

Subtle Syndesmosis Instability in LAI; When to Address?

Meagan M. Jennings, DPM, FACFAS

11:20-11:30 am

Open Augmented Primary Brostrom: Necessary or Overkill?

Matthew E. Williams, DPM, FACFAS

11:30-12:00 Noon

Q&A

12:00 Noon-2:00 pm

Lunch in the Exhibit Hall

Course Information | Thursday, February 24th

12:30-1:30 pm

Job Search Q&A with Chris Hood, DPM, FAFAS

ACFAS 2022 Exhibit Hall, Job Fair Booth #1107

2:00-3:30 pm

#8. International Sports Medicine Symposium

Moderator: J. Randolph Clements, DPM, FAFAS

2:00-2:15 pm

Arthroscopic Lateral Ankle Stabilization: Midterm Data

James M. Cottom, DPM, FAFAS (United States)

2:15-2:30 pm

Outcomes of Open "Crown" Type vs. Percutaneous Bunnell Type Repair of Acute Achilles Tendon Ruptures: Randomized Control Study

Aleksas Makulavičius (Lithuania)

2:30-2:45 pm

Validity Of Smartphone Application In Assessment Of Balance In Chronic Ankle Instability
Aliaa Rehan Youssef (Egypt)

2:45-3:00 pm

Surgical Repair of Complete Plantar Fascia Ruptures in High-Demand Power Athletes: An Alternative Treatment Option
Susanne Olesen (Denmark)

3:00-3:15 pm

The Efficacy of Posterior Fasciotomy Versus Inserted Vacuum Drainage in Reducing Post-operative Surgical Site Infection in Open Achilles Tendon Repair: A Prospective Cohort Study with Inverse Probability Treatment Weight Propensity Score Analysis
Pissanu Reingrittha, MD (Thailand)

3:15-3:30 pm

Q&A

#9. Taming the Tendon: Tendon Transfer Techniques

Moderator: Scott C. Nelson, DPM, FAFAS

Uses and indications for specific tendon transfers.

2:00-2:10 pm

The Science of Tendon Transfers
Jennifer C. Van, DPM, FAFAS

2:10-2:20 pm

Jones Tenosuspension
Thanh L. Dinh, DPM, FAFAS

2:20-2:30 pm

STATT for Cavovarus
Garrett M. Wobst, DPM, FAFAS

2:30-2:40 pm

PT Tendon Transfer for Drop Foot
Michael D. Dujela, DPM, FAFAS

2:40-2:50 pm

FDL Transfer for PT Tendon
Lawrence A. DiDomenico, DPM, FAFAS

2:50-3:00 pm

FHL Transfer for Achilles
Donald E. Buddecke, Jr., DPM, FAFAS

3:00-3:30 pm

Q&A

#11. Stand Out or Fit In?: "I Might Be a Minority But Science Is Not Democracy!"

Moderator: Jacob Wynes, DPM, MS, FAFAS

2:00-2:10 pm

Gastroc Recession After Flatfoot Reconstruction... Makes More Sense

Michael H. Theodoulou, DPM, FAFAS

2:10-2:20 pm

A Case for Surgical Repair of Acute Achilles Tendon Rupture

Kelly M. Pirozzi, DPM, FAFAS

2:20-2:30 pm

Why Don't You Skip Microfracture and Go Straight to Reconstruction of OLT?

Alan Ng, DPM, FAFAS

2:30-2:40 pm

Aggressive Amputation to Salvage a Limb... and Life: Are You Still Over-Salvaging?

Benjamin D. Overley, Jr., DPM, FAFAS

2:40-2:50 pm

Austin Bunionectomy for Hallux Valgus Correction Is Still Useful

Kris A. DiNucci, DPM, FAFAS

2:50-3:00 pm

There Are People Who Benefit from ORIF for Lisfranc Fracture/Dislocation

Asim Raja, DPM, FAFAS

3:00-3:30 pm

Q&A

#12. Military Session

Operative Consideration for Achilles Tendon Ruptures in Active-Duty Patient Population: Open, Mini-Open vs. MIS
Lt Col Michael Tave, DPM FAFAS

Non-Traumatic Peroneus Longus Tendon Rupture: Lessons Learned
MAJ Weston C. Goring, DPM

Opioid-Sparing Multimodal Analgesia in the Post-Op Setting
MAJ Peter E. Smith, DPM, FAFAS

Total Joint Implants in Hallux
Lt Col Bill D. Michie, Jr., DPM, FAFAS

Brostrom Repair with Augmentation in Active-Duty Population
Michael Gibboney, DPM, FAFAS, DABPM

Case Presentation: Mid-Foot OCD lesion
CPT Whitney D. Garner, DPM

DPM in the Military
Col Troy N. Morton, DPM

#10. Cavus Foot: Beyond the Familiar Treatment Algorithm

Moderator: Thomas J. Chang, DPM, FAFAS

Speakers will highlight complex and challenging topics associated with cavovarus foot deformity.

2:00-2:15 pm

Management of Paralytic/Spastic Equinovarus Foot Deformity
Ronald G. Ray, DPM, FAFAS

2:15-2:30 pm

Osteotomy vs. Arthrodesis
Alan R. Catanzariti, DPM, FAFAS

2:30-2:45 pm

Neurologic Cavus Reconstruction
Christopher L. Reeves, DPM, MS, FAFAS

2:45-3:00 pm

Failed/Revision Cavus
Keith L. Jacobson, DPM, FAFAS

3:00-3:30 pm

Challenging Cases — Complications

Course Information | Thursday, February 24th

3:30–4:00 pm

Exhibit Hall/CME Break

4:00–6:00 pm

#13. Hot Topics in Foot and Ankle Surgery: The Cost of Effectiveness and the Effectiveness of Cost

Moderator: J. Randolph Clements, DPM, FACFAS

4:00–4:15 pm

The Determinate Value of the Medial Clear Space for Deltoid Integrity in Lateral Malleolar Fractures: A Correlative Analysis of Arthroscopic and Radiographic Findings

David R. Collman, DPM, FACFAS

4:15–4:30 pm

Risk Factors and Outcomes after Surgical Reconstruction of Charcot Neuroarthropathy in Fracture Versus Dislocation Patterns

Korey S. DuBois, DPM, AACFAS

4:30–4:45 pm

Risk Stratification for Revision Surgery following Total Ankle Replacement

Matthew M. Knabel, DPM

4:45–5:00 pm

Risk Factors for the Early Failure of 4th Generation Total Ankle Arthroplasty Prostheses

Calvin J. Rushing, DPM, AACFAS

5:00–5:15 pm

Charcot Reconstruction Versus Transtibial Amputation Versus Bracing in Patients with Non-Plantigrade Charcot Foot Arthropathy: A Cost-Effectiveness Analysis

Rachel H. Albright, DPM, MPH, AACFAS

5:15–5:30 pm

Total Ankle Arthroplasty Survivorship: A Meta-analysis

Bryon J. McKenna, DPM, AACFAS

5:30–5:45 pm

Routine Use of Low Molecular Weight Heparin DVT Prophylaxis following Certain Foot and Ankle Surgeries: A Cost Effectiveness Analysis

Richmond C.O. Robinson, DPM, FACFAS

5:45–6:00 pm

Percutaneous Kirschner Wire versus Commercial Implant for Hammertoe Repair: A Cost-Effectiveness Analysis

Rachel H. Albright, DPM, MPH, AACFAS

#14. Next Level Ankle Fracture

Moderator: George Tye Liu, DPM, FACFAS

Controversial topics within the realm of surgical repair of ankle fractures. Various topics for a common problem the literature leaving us in the grey zone.

4:00–4:10 pm

AITFL Reconstruction with Syndesmosis Repair – Redundant?

Mark A. Hardy, DPM, FACFAS

4:10–4:20 pm

When to Perform Acute Deltoid Repair?

Shane M. Hollawell, DPM, FACFAS

4:20–4:30 pm

Fibular Nailing – Fad or Fabulous?

Justin J. Fleming, DPM, FACFAS

4:30–4:40 pm

Syndesmosis Repair in Weber B Fracture – Waste or Want?

Jason V. Naldo, DPM, FACFAS

4:40–4:50 pm

Assessing Syndesmotic Reduction Intraop

Brian J. Burgess, DPM, FACFAS

4:50–5:00 pm

Value in Fixing Posterior Malleolar Fractures?

Graham A. Hamilton, DPM, FACFAS

5:00–5:10 pm

Fixation Technique with Revision Surgery in Mind (Managing Complicated Removing Broken Hardware)

Travis A. Motley, DPM, FACFAS

5:10–5:20 pm

Malunited Fibular Fracture – When Has the Horse Left the Field?

Alan A. MacGill, DPM, FACFAS

5:20–6:00 pm

Q&A

#15. Limb Salvage Rodeo!

Moderator: Kelly M. Pirozzi, DPM, FACFAS

Each speaker will present a surgical case related to diabetic limb salvage where complications occurred. The speaker will educate the audience on lessons learned from the case and will also discuss the current literature to support their treatment/decision making process.

4:00–4:20 pm

“Achilles Tendon Lengthening Gone Bad”

Keith L. Jacobson, DPM, FACFAS

4:20–4:40 pm

“PAD That Was Overlooked”

Paul J. Kim, DPM, FACFAS

4:40–5:00 pm

“The Non-Healing DFU: I Wish I Had Surgically Intervened Sooner”

Javier La Fontaine, DPM, MS, FACFAS

5:00–5:20 pm

Calcaneal Osteomyelitis: Deciding Between Salvage or Proximal Amputation

Caitlin S. Zarick DPM, FACFAS

5:20–5:40 pm

How Many Times Is Enough: Non-Union Repair, Know When to Call it Quits

Byron L. Hutchinson, DPM, FACFAS

5:40–6:00 pm

Q&A

Course Information | Thursday, February 24th

2:00–6:00 pm

#16. Minimally Invasive Surgery Workshop (Cadaver) (\$250)

Moderator: Noman A. Siddiqui, DPM, FACFAS
MIS bunion surgery is evolving as well as other osseous procedures. Introduction to the instrumentation, technique, fixation and how to reproducibly succeed. During the lab we will practice using the burr, preform akin with fixation, bunion with both methods of fixation, and calcaneal osteotomy with fixation.

2:00–2:10 pm

MIS Instrumentation — Respecting Biology

Jason A. Piraino, DPM, MS, FACFAS

2:10–2:20 pm

Akin Osteotomy

Daniel B. Logan, DPM, FACFAS

2:20–2:30 pm

1st Metatarsal Osteotomy with Intra-medullary Implant Fixation

Jonathan J. Sharpe, DPM, FACFAS

2:30–2:40 pm

1st Metatarsal Osteotomy with Screw Fixation

Noman A. Siddiqui, DPM, FACFAS

2:40–2:50 pm

MIS Calcaneal Osteotomy — Approach and Fixation

Noman A. Siddiqui, DPM, FACFAS

2:50–6:00 pm

Lab

ACFAS has designated an unrestricted education grant from Stryker in support of this workshop.

#17 Medial and Lateral Ankle Ligament Instability Workshop (Cadaver) (\$250)

Moderator: Jason G. DeVries, DPM, FACFAS

2:00–2:05 pm

Overview: Who? When and Why?

Jason G. DeVries, DPM, FACFAS

2:05–2:10 pm

Role of Arthroscopy in Chronic Lateral Ankle Instability

Brett D. Sachs, DPM, FACFAS

2:10–2:15 pm

Procedures-Technique Centered Talks with Pearls of Execution

Osteotomies for Deformities Associated with Lateral Ankle Instability
Matthew D. Sorensen, DPM, FACFAS

2:15–2:20 pm

Dorsiflexion Wedge Osteotomy of the First Ray/Dorsiflexory Lapidus

Sean T. Grambart, DPM, FACFAS

2:20–2:25 pm

Deltoid Insufficiency/Medial Ankle Instability

Open Repair with Synthetic Augmentation
Jason G. DeVries, DPM, FACFAS

2:25–2:30 pm

Tendon Graft Repair

Kyle S. Peterson, DPM, FACFAS

2:30–2:35 pm

Lateral Ankle Instability

Open Modified Brostrom with Gould Modification-Traditional Approach
Adam M. Budny, DPM, FACFAS

2:35–2:40 pm

Open Modified Brostrom with Gould Modification-Synthetic Augmentation

Sean T. Grambart, DPM, FACFAS

2:40–2:45 pm

Mini Open Brostrom/Gould with Anchors

Jason G. DeVries, DPM, FACFAS

2:45–2:50 pm

Failed Brostrom with Recurrent Instability-Tendon Transfer

Brett D. Sachs, DPM, FACFAS

2:50–6:00 pm

Lab

6:15 pm

Opening Reception and Student Networking Reception

5:15–6:15 pm

Resident and Student Networking at the Hilton Austin (by invitation)

Sponsored in part by ABFAS

Just for invited residents and students. You'll meet with ACFAS and ABFAS Board members and also meet your new professional peers. Don't miss the great food, beverages, and prize drawings.

AMERICAN BOARD OF
FOOT AND ANKLE SURGERY

6:15–7:30 pm

The Premier Connection—Opening Event at the Hilton Austin

Sponsored in part by In2Bones

Relax and reconnect with your colleagues before heading out to dinner. Meet and greet classmates, colleagues, and new friends, while enjoying an assortment of great food, beverages, and music.

Course Information | Friday, February 25th

7:30–9:30 am

#18. Controversies in First Ray Surgeries

Moderator: Luke D. Cicchinelli, DPM, FACFAS

- Frontal Plane Correction — How Far Do You Go?
- When to Leave the Metatarsal Head Alone
- Revisiting the Role of the Lateral Release
- When is 1st MPJ Arthrodesis Indicated for HAV?
- Is the Akin Ever Really Necessary?
- MIS

Panel:

- ★ Paul D. Dayton, DPM, MS, FACFAS
- ★ William T. DeCarbo, DPM, FACFAS
- ★ Gerhard Kaufmann, MD
- ★ Kelly M. Pirozzi, DPM, FACFAS
- ★ Sérgio Soares, MD

#19. Decision Making Process in Flatfoot Reconstruction

Moderator: Jonathan J. Sharpe, DPM, FACFAS

Surgeon picks his or her own cases. Honest divulgence of a poor case outcome based on surgical decision making and plan, followed by excellent outcome and discussion.

Panel:

- ★ Donald E. Buddecke, Jr., DPM, FACFAS
- ★ Alan R. Catanzariti, DPM, FACFAS
- ★ Mark A. Hardy, DPM, FACFAS
- ★ Ryan L. McMillen, DPM, FACFAS
- ★ Jason R. Miller, DPM, FACFAS

#20. All the Imaging Techniques, as Big as Texas

Moderator: Travis A. Motley, DPM, FACFAS

Describe the current and new imaging modalities to optimize diagnosis and peri-operative planning for foot and ankle pathologies.

7:30–7:45 am

Give a Hoot, The Right MRI Specifications Can Optimize Your Outcomes

Avneesh Chhabra, MD

7:45–8:00 am

Dagnammit, Not All X-Ray Views/Techniques Are Equal

Bradley M. Lamm, DPM, FACFAS

8:00–8:15 am

The New Stars of CT Scans for Lower Extremity Pathologies

Aksone Nouvong, DPM, FACFAS

8:15–8:30 am

What's All the Fuss About PET Scans, Do I Need to Use it?

Anup Alexander, MD

8:30–8:45 am

Wrangling All the Pros and Cons of Ultrasound in the Clinical Setting

Kris A. DiNucci, DPM, FACFAS

8:45–9:00 am

Corralling New Imaging Technologies Into One Talk

Albert Song, MD

9:00–9:30 am

Q&A

#21. Surgery That Went South...Deep South

Christopher L. Lotufo, DPM, FACFAS

Speakers will present on reconstructive/trauma cases that developed post-operative infection and will focus on how these challenging situations were surgically managed.

7:30–7:50 am

Post-op Infection After Forefoot Reconstruction

Peter A. Blume, DPM, FACFAS

7:50–8:10 am

Hindfoot Nail Infection

Michael D. Dujela, DPM, FACFAS

8:10–8:30 am

Infected Total Ankle Arthroplasty

David R. Collman, DPM, FACFAS

8:30–8:50 am

Infected Charcot Reconstruction

Noman A. Siddiqui, DPM, FACFAS

8:50–9:10 am

Ankle Fracture ORIF Post-op Infection

Keith D. Cook, DPM, FACFAS

9:10–9:30 am

Q&A

#22. PICA Session

Course Information | Friday, February 25th

9:30–10:00 am

Exhibit Hall/CME Break

10:00 am–12:00 Noon

#23. Latest in Rearfoot Surgery

Moderator: Jonathan J. Sharpe, DPM, FACFAS

Commentator: Naohiro Shibuya, DPM, MS, FACFAS

10:00–10:08 am

Risks Factors Associated with Major Lower Extremity Amputation after Vertical Contour Calcaneotomy

▲ Helene R. Cook, DPM

Nicole K. Cates, DPM, AACFAS

Christopher J. Kennedy, DPM, AACFAS

Eshetu Tefera, MS

Daniel Popovsky, MS

Kevin Delijani, BS

Paul J. Kim, DPM, MS, FACFAS

John S. Steinberg, DPM, FACFAS

10:08–10:16 am

Coronal Hindfoot Alignment in Midfoot Charcot Neuroarthropathy: A Radiographic Study

▲ Korey S. DuBois, DPM, AACFAS

Nicole K. Cates, DPM, AACFAS

Nathan N. O'Hara, PhD

Bradley M. Lamm, DPM, FACFAS

Jacob Wynes, DPM, MS, FACFAS

10:16–10:24 am

Outcomes of Tarsal Coalition Resections: A Retrospective Analysis of 97 Resections in 78 Patients

▲ Alia N. Karmali, DPM

Amol Saxena DPM, FACFAS

Ryan D. Allen, DPM

Anthony Wright, BS

Nicola Maffulli, MD, PhD, FRCP, FRCS(Orth)

10:24–10:34 am

Panel Q&A

Helene R. Cook, DPM

Korey S. DuBois, DPM, AACFAS

Alia N. Karmali, DPM

10:34–10:42 am

The Effects of Cold Forging Process Applied to Fine Wires for the Ilizarov External Fixator Apparatus: A Pilot Study

▲ Zachary J. Washburn, DPM

Peter A. Crisologo, DPM, AACFAS

Anthony J. Blanchard, DPM, FACFAS

10:42–10:50 am

Isolated Subtalar Arthrodesis for Hindfoot Arthritis

▲ Rafiq, DPM

Nicole M. Branning, DPM, FACFAS

Ellianne M. Nasser, DPM, FACFAS

10:50–10:58 am

Radiographic Analysis of the Lateral Column Lengthening Procedure in Stage II Adult Acquired Flatfoot Deformity

▲ Scott D. Schleunes, DPM

Stephanie N. Campbell, DPM

Jacob M. Jones, DPM

Frances Hite Philp, MS

Alan R. Catanzariti, DPM, FACFAS

10:58–11:08 am

Panel Q&A

Zachary J. Washburn, DPM

Basil Rafiq, DPM

Scott D. Schleunes, DPM

11:08–11:16 am

Tarsal Coalition: Outcomes Following Surgical Resection

▲ Jeffrey R. Sanker, DPM

Yun-Yi Hung, PhD, MPH

Miranda Weintraub, PhD, MPH

Mitzi L. Williams, DPM, FACFAS

11:16–11:24 am

A Systematic Review of Hindfoot Arthrodesis Fusion Rates: Double versus Triple Arthrodesis

▲ Alissa M. Mayer, DPM

Nicole K. Cates, DPM, AACFAS

Jonathan D. Tenley, DPM

Jacob Wynes DPM, MS, FACFAS

Eshetu Tefera, MS

John S. Steinberg, DPM, FACFAS

Paul J. Kim, DPM, MS, FACFAS

Glenn M. Weinraub, DPM, FACFAS

11:24–11:32 am

Midfoot Fusion for Hallux Valgus Deformity: A Retrospective Comparison of Two Joint Prep & Fixation Constructs Regarding Outcomes Including Initial and Midterm Correction of Deformity

▲ Chloe F. Sakow, DPM, MPH

Kyle W. Abben DPM, FACFAS

Tyler K. Sorensen, DPM, AACFAS

Howard C. Chang, DPM

Troy J. Boffeli, DPM, FACFAS

11:32–11:42

Panel Q&A

Jeffrey R. Sanker, DPM

#24. Latest in Ankle Surgery

Moderator: Thomas S. Roukis, DPM, PhD, FAFAS

Commentator: Christopher F. Hyer, DPM, MS, FAFAS

10:00–10:08 am

Effects of Patient-Specific Instrumentation and Ancillary Surgery Performed in Conjunction with Total Ankle Implant Arthroplasty: Postoperative Radiographic Findings

▲ Cody J. Togher, DPM, AACFAS

Stephanie L. Golding, DPM

Jordan B. Butterfield, DPM

Thomas D. Ferrise, DPM

Amber M. Shane, DPM, FAFAS

Christopher L. Reeves, DPM, MS, FAFAS

10:08–10:16 am

An Analysis of 50 Consecutive Total Ankle Replacements undergoing Pre-operative CT Scan-based, Engineer-provided Planning from a Single Non-Inventor, Non-Consultant Surgeon

▲ Garrett M. Biela, DPM

Thomas S. Roukis, DPM, PhD, FAFAS

Jason A. Piraino, DPM, MS, FAFAS

10:16–10:24 am

Hounsfield Unit Assessed Bone Density amongst Non-Traumatic and Post-Traumatic Arthritic Total Ankle Arthroplasty Patients

▲ John M. Thompson, DPM, AACFAS

Brian Houg, DPM, AACFAS

Eric So, DPM, MS, FAFAS

Christopher F. Hyer, DPM, MS, FAFAS

Gregory Berlet, MD, FRCS(C), FAOA

10:24–10:34 am

Panel Q&A

Cody J. Togher, DPM, AACFAS

Garrett M. Biela, DPM

John M. Thompson, DPM, AACFAS

10:34–10:42 am

The Association of Medial Malleolus Width and Fractures in Total Ankle Joint Replacement

▲ Karl W. Dunn, DPM, FAFAS

Jason R. Miller, DPM, FAFAS

Lawrence A. DiDomenico, DPM, FAFAS

James M. Cottom, DPM, FAFAS

Henry D. Spingola III, DPM, AACFAS

Clay B. Shumway, DPM, AACFAS

10:42–10:50 am

Early Outcomes of the Vantage Total Ankle System

▲ Collin G. Messerly, DPM

David M. Eastman, DPM

Jason D. Nowak, DPM, FAFAS

Garret L. Strand, DPM, AACFAS

10:50–10:58 am

Prevalence of Osteochondral Lesions in Chronic Lateral Ankle Instability: A Meta-analysis

▲ Tyler L. Coye, DPM

Courtney M. Foote, DPM

Benjamin Heddy, DPM

10:58–11:08 am

Panel Q&A

Karl W. Dunn, DPM, FAFAS

Collin G. Messerly, DPM

Tyler L. Coye, DPM

11:08–11:16 am

Pain Management Following Foot and Ankle Surgery

▲ Megan A. Ishibashi, DPM, AACFAS

Douglas A. Stram, MS

Miranda L. Ritterman Weintraub, PhD, MPH

Christy M. King, DPM, FAFAS

11:16–11:24 am

Correlation Between Isolated Fibular Fracture Displacement and Deep Deltoid Injury: A Comparative Analysis of Arthroscopic and Radiographic Assessments

▲ Fernando Ramirez, II, DPM

Sumer Patel, DPM, FAFAS

Sheng-Fang Jiang, MS

David R. Collman, DPM, FAFAS

Jack M. Schuberth, DPM, FAFAS

11:16-11:24 am

Is 2nd Metatarsal Shortening Osteotomy Necessary When Performing a Modified Lapidus Bunionectomy?

▲ Matthew L. Diamond, DPM
Ryan Rodella, DPM
Jeffery R. Baker, DPM, FACFAS
Lowell Weil, Jr. DPM, MBA, FACFAS
Matthew D. Sorensen, DPM, FACFAS
Erin E. Klein, DPM, MS, FACFAS
Adam E. Fleischer, DPM, MPH, FACFAS

11:24-11:30

Panel Q&A

Jake T. Wagner, DPM
George Tye Liu, DPM, FACFAS
Matthew L. Diamond, DPM

11:30-11:38 am

Radiographic Evaluation of Hallux Abductovalgus Deformity

Nicole K. Gates, DPM, AACFAS
▲ Helene R. Cook, DPM
Mira Pandya, DPM, AACFAS
Joshua A. Gordon, MD
Jacob Wynes, DPM, MS, FACFAS
Andrew J. Meyr, DPM, FACFAS
Guido A. La Porta, DPM, MS, FACFAS

11:38-11:46 am

The Role of the Shortened Proximal Phalanx in the Setting of Brachymetatarsia

▲ Michael A. Thomas, DPM, MS, AACFAS
Kelsey J. Millonig, DPM, MPH, AACFAS
Yumna, Siddiqui, DPM
Cassandra C. Charles, DPM
Bilal M. Khan, DPM
Noman A. Siddiqui, DPM, FACFAS

11:46-11:54 am

Maintenance of Correction of the Modified Lapidus Procedure with a First Metatarsal to Second Metatarsal Screw with "Spot Weld" Technique: A Retrospective and Radiographic Analysis

▲ John M. Thompson, DPM, AACFAS
Christopher F. Hyer, DPM, MS, FACFAS
Guido A. LaPorta, DPM, MS, FACFAS

11:54-12:00 Noon

Panel Q&A

Helene R. Cook, DPM
Michael A. Thomas, DPM, MS, AACFAS
John M. Thompson, DPM, AACFAS

▲ Presenter

Course Information | Friday, February 25th

12:00 Noon–2:00 pm

Lunch in the Exhibit Hall ACFAS Honors and Awards Ceremony

Congratulate your colleagues who win Manuscript, Poster, Honor, and Merit Awards. The year's best research will be recognized. In addition, new Fellows will be presented their College keys and the 2022/23 Board of Directors will be introduced.

2:00–3:30 pm

#27. Past President Presidential Debate

Moderator: J. Randolph Clements, DPM, FACFAS
ACFAS Past Presidents will come back to the stage to debate each other on clinical treatment options for a variety primary foot and ankle conditions as well as complication management of complex surgical procedures with unexpected outcomes.

Panel:

- ★ Richard Derner, DPM, FACFAS
- ★ Daniel J. Hatch, DPM, FACFAS
- ★ Michael S. Lee, DPM, FACFAS
- ★ Scott C. Nelson, DPM, FACFAS

#28. Revisiting Ankle Arthrodesis

Moderator: Jason G. DeVries, DPM, FACFAS

2:00–2:15 pm

Ankle Arthrodesis: Is It Still the Gold Standard?

Jordan P. Grossman, DPM, FACFAS

2:15–2:30 pm

Approach and Fixation: Anterior vs. Transfibular

Christopher D. Lotufo, DPM, FACFAS

2:30–2:45 pm

When Is It Ok to Perform Arthroscopically?

Jason A. Piraino, DPM, MS, FACFAS

2:45–3:00 pm

Managing Ankle Arthrodesis Complication

Alan R. Catanzariti, DPM, FACFAS

3:00–3:15 pm

Management of Bone Loss

Jeffrey E. McAlister, DPM, FACFAS

3:15–3:30 pm

Q&A

#29. Operating Theatre: Surgical Demonstration of 2022

Moderator: Ryan B. Rigby, DPM, FACFAS

Attendees will be able to observe firsthand surgical procedures being performed by the experts. Pearls and techniques for various surgical procedures will be demonstrated live from start to finish.

2:00–2:30 pm

Lapidus Arthrodesis

Eric A. Barp, DPM, FACFAS

2:30–3:00 pm

Percutaneous Achilles Repair

Justin J. Fleming, DPM, FACFAS

3:00–3:30 pm

PT Tendon Transfer

Philip Basile, DPM, FACFAS

#30. Nerve Related Issues in the Lower Extremity

Moderator: Asim Raja, DPM, FACFAS

Focus on the clinical evaluations and decision making for anterior tarsal syndrome, tarsal tunnel syndrome, and baxter's entrapment.

2:00–2:15 pm

Evaluation, Clinical Findings, and Treatment for Anterior Tarsal Syndrome

Lawrence A. DiDomenico, DPM, FACFAS

2:15–2:30 pm

Evaluation, Clinical Findings, and Treatment for Tarsal Tunnel Syndrome

Michael A. Gentile, DPM, FACFAS

2:30–2:45 pm

Evaluation, Clinical Findings, and Treatment for Sensory Nerve Injury

Sean T. Grambart, DPM, FACFAS

2:45–3:00 pm

Evaluation, Clinical Findings, and Treatment for Neuroma

D. Scot Malay, DPM, MSCE, FACFAS

3:00–3:15 pm

Advanced Nerve Surgery

Peter J. Apel, MD, PhD

3:15–3:30 pm

Q&A

3:30–4:00 pm

Exhibit Hall/CME Break

Course Information | Friday, February 25th

4:00–6:00 pm

#31. Common Pathologies in Athletic Patients

Moderator: Eric A. Barp, DPM, FACFAS

Comprehensive sports medicine topics that are in the less clear, less obvious lanes of pathology that we see in our practices. Topics from forefoot including second MTP overload to the hindfoot and ankle including subtle syndesmosis injuries and their management to controversial diagnoses such as medial ankle instability. Didactic session with clinical case augmentation.

4:00–4:10 pm

Posterior Ankle Impingement Syndrome – An Open/Shut Case

Michael A. Gentile, DPM, FACFAS

4:10–4:20 pm

Sick Second MTP Syndrome in the Athlete

Kyle C. Fiala, DPM, FACFAS

4:20–4:30 pm

Heel Pain That Won't Quit! Keep Me Running!

Kris A. DiNucci, DPM, FACFAS

4:30–4:40 pm

Chronic Subtle Syndesmosis Instability in the Athlete

Matthew D. Sorensen, DPM, FACFAS

4:40–4:50 pm

Minimally Displaced Fractures in the Athlete – Fix or Fad

Michael S. Lee, DPM, FACFAS

4:50–5:00 pm

Symptomatic Subtle Cavus – When to Fix?

Ronald G. Ray, DPM, FACFAS

5:00–5:10 pm

Bone Contusions/Marrow Lesions – Does Anything Work?

Garrett M. Wobst, DPM, FACFAS

5:10–5:20 pm

Midfoot Stress Fracture

Matthew E. Williams, DPM, FACFAS

5:20–6:00 pm

Q&A

#32. A New Age: Literature Supported Uses of Regenerative Medicine Products

Moderator: D. Scot Malay, DPM, MSCE, FACFAS

Engage in critical appraisal of current orthobiologics/regenerative tissue medicine adjuncts and if they augment healing considerations in foot and ankle surgery while gaining a further insight into various forms of bone graft substitutes. Develop an understanding of the potential side effects of incorporation of various intraoperative adjuncts and demonstrate utility of regenerative medicine adjuncts in bone healing, wound healing, and overall perioperative optimization.

4:00–4:15 pm

What's the Role in Amniotic Tissue in Foot and Ankle Surgery?

James M. Cottom, DPM, FACFAS

4:15–4:30 pm

Could Results of Allograft Supplementation Rival Autograft?

Ryan L. McMillen, DPM, FACFAS

4:30–4:45 pm

Platelet Rich Plasma: Fad or Here to Stay?

Michael D. VanPelt, DPM, FACFAS

4:45–5:00 pm

Is ALL Bone Marrow Aspirate Concentrate Created Equal?

Glenn M. Weinraub, DPM, FACFAS

5:00–5:15 pm

A Primer on the Latest Advancements in Cartilage Restoration

Alan Ng, DPM, FACFAS

5:15–5:30 pm

Adipose Tissue Derived Stem Cells and their Implications

John S. Steinberg, DPM, FACFAS

5:30–5:45 pm

What is the Cost Effectiveness of Regenerative Medicine?

Adam E. Fleischer, DPM, MPH, FACFAS

5:45–6:00 pm

Q&A

#33: Hellux Rigidus/Limitus Update

Moderator: Lowell Weil, Jr., DPM, MBA, FACFAS

4:00–4:15 pm

Metal Implant Arthroplasty – What Does the Literature Say?

Peter A. Blume, DPM, FACFAS

4:15–4:30 pm

Revisiting Synthetic Cartilage Implants

Meagan M. Jennings, DPM, FACFAS

4:30–4:45 pm

Early Weightbearing in 1st MPJ Arthrodesis

Peter A. Blume, DPM, FACFAS

4:45–5:00 pm

Decompression Osteotomy Versus Cheilectomy Alone

Benjamin D. Cullen, DPM, FACFAS

5:00–5:15 pm

Addressing First Ray Biomechanics

Shannon M. Rush, DPM, FACFAS

5:15–5:30 pm

What Else is Still in Your Toolbox?

Donald E. Buddecke, Jr., DPM, FACFAS

5:30–6:00 pm

Q&A

#34. The Magnificent Midfoot: Success in the Face of Adversity

Moderator: Sandeep B. Patel, DPM, FACFAS

Appraisal of the preferred techniques of recognizing and treating midfoot injury. The focus is to provide strategy for the management of navicular fractures with obvious and subtle variants, management of adult and pediatric avascular necrosis, evaluation of biomechanical role of the naviculocuneiform and tarsometatarsal joints, and illustrations of various fixation constructs when fusion or osteotomy is indicated.

4:00–4:15 pm

AVN of Navicular: Is There Anything We Can Do?

Scott C. Nelson, DPM, FACFAS

4:15–4:30 pm

Fusion of the Naviculocuneiform Joint in Addressing Flatfoot Deformity: Is it Truly a “Non-essential Joint?”

Jason V. Naldo, DPM, FACFAS

4:30–4:45 pm

Managing the “Non-toobvious” Navicular Fracture?

Brett D. Sachs, DPM, FACFAS

4:45–5:00 pm

Treatment Considerations in Degloving Injuries of the Midfoot

Jason R. Miller, DPM, FACFAS

5:00–5:15 pm

Biomechanical Considerations and Fixation Constructs in Midfoot Arthrodesis

Daniel J. Hatch, DPM, FACFAS

5:15–5:30 pm

Is There Enough Bone to Salvage? Comminuted Fracture Variants of the Midfoot

Jordan P. Grossman, DPM, FACFAS

5:30–6:00 pm

Q&A

Course Information | Friday, February 25th

2:00–6:00 pm

#35. Ankle Fracture Workshop (Cadaver) (\$250)

Moderator: Ryan T. Scott, DPM, FACFAS

Surgical skill workshop focused on ankle fracture surgery, where we will discuss fixation options, methods of reduction, and surgical incision and dissection approach.

2:00–2:10 pm

Practical Aspects of Ankle Fracture Surgery: Pre-operative Planning, Imaging, Patient Positioning, and Prepping for Success

Mark H. Hofbauer, DPM, FACFAS

2:10–2:20 pm

Plate and Screw Fixation Principles for the Medial and Lateral Malleoli

Travis A. Motley, DPM, FACFAS

2:20–2:30 pm

Dissection Approach and Fixation of Posterior Malleolar Fractures

Benjamin D. Overley, Jr., DPM, FACFAS

2:30–2:40 pm

Beyond the Plate and Screw – Alternative Fixation Options

Brian J. Burgess, DPM, FACFAS

2:40–2:50 pm

Stabilization of Soft Tissue Injury –Addressing Syndesmotic and Deltoid Ligament Rupture

Mark A. Prissel, DPM, FACFAS

2:50–6:00 pm

Lab

ACFAS has designated an unrestricted education grant from Stryker in support of this workshop.

#36. MSK Ultrasound Workshop (\$200)

Moderator: Albert Song, MD, Anup Alexander, MD

Faculty:

🌐 Katherine E. Dux, DPM, FACFAS

🌐 Aksone Nouvong, DPM, FACFAS

Course Information | Saturday, February 26th

7:30–9:30 am

#37. Exfix Is Not Just an Expensive Cast

Moderator: Jacob Wynes, DPM, MS, FACFAS

We will discuss external fixation in a manner that will leave the participants with a realistic expectation of its indications and technical pearls for application. The goal is to present this somewhat daunting adjunctive fixation tool in a way in which individuals understand the critical details in applying the frame and develop critical thinking strategies when dealing with complications.

7:30–7:45 am

Preventing Pin Site Infections and Other Complications: Where is the Evidence?

Phillip Basile, DPM, FACFAS

7:45–8:00 am

Successful Frame Application and Biomechanics of External Fixation

Katherine M. Raspovic, DPM, FACFAS

8:00–8:15 am

Acute vs. Gradual Correction: What Kind of Frame and When

Bradley M. Lamm, DPM, FACFAS

8:15–8:30 am

Applications of External Fixation in Trauma

Robert A. Probe, MD

8:30–8:45 am

Does EVERY Charcot Deformity Correction Require an External Fixator?

Caitlin S. Zarick, DPM, FACFAS

8:45–9:00 am

No Other Option: Use of External Fixation to its Full Capability (5th Met, Forefoot)

Laurence G. Rubin, DPM, FACFAS

9:00–9:30 am

Q&A

#38. MIS is Not Just About Smaller Incisions

Moderator: Ryan T. Scott, DPM, FACFAS

Discuss current techniques and effective execution of MIS surgery with the history and literature surrounding minimally invasive foot surgery.

7:30–7:45 am

Keeping Up with the Joneses: A Look at International History and Evidence

Adam E. Fleischer, DPM, MPH, FACFAS

7:45–8:00 am

Failure to Plan Is Planning to Fail

Danielle N. Butto, DPM, FACFAS

8:00–8:15 am

Large Bunion, Small Incision, Can We Get Proper Correction?

Michael W. Downey, DPM, FACFAS

8:15–8:30 am

Rapid and Reproducible – MIS Medial Displacement Calcaneal Osteotomy

Daniel B. Logan, DPM, FACFAS

8:30–8:45 am

Do We Cast or MIS Achilles Tendon Rupture Repair?

Aleksas Makulavičius

8:45–9:00 am

Neuropathic Deformity and Ulceration: Applications of MIS to the Neurogenic Foot

Noman A. Siddiqui, DPM, FACFAS

9:00–9:30 am

Q&A

Course Information | Saturday, February 26th

7:30–8:30 am

#39. Endoscopy: Scope Is Not Just for Intra-articular Pathologies

Moderator: *George Tye Liu, DPM, FACFAS*

This session will focus on extra-articular scope procedures. The audience will learn techniques of those endoscopic procedures and their indication/contraindications.

7:30–7:40 am

Basics of Endoscopy

Kyle S. Peterson, DPM, FACFAS

7:40–7:50 am

Gastroc Recession, EPF

Jason A. Piraino, DPM, MS, FACFAS

7:50–8:00 am

Retro and Plantar Calcaneus Pathologies

Jeffrey E. McAlister, DPM, FACFAS

8:00–8:10 am

Os Trigonum/Other Ossicle Resection

William T. DeCarbo, DPM, FACFAS

8:10–8:20 am

Tendoscopy

Michael H. Theodoulou, DPM, FACFAS

8:20–8:30 am

Q&A

8:30–9:30 am

#40. Orthoplastics Is Not Just a Trend

Moderator: *Paul J. Kim, DPM, MS, FACFAS*

This session will focus on soft tissue reconstruction/surgical management of soft tissue defects of the foot and ankle.

8:30–8:40 am

Soft Tissue Coverage for Foot and Ankle Defects; How to Decide What the Best Option is for my Patient

Peter J. Apel, MD, PhD

8:40–8:50 am

Local Flaps: Do They Really Work?

John S. Steinberg, DPM, FACFAS

8:50–9:00 am

Does This Patient Need a Free Flap/Free Tissue Transfer? From Where?

Byron L. Hutchinson, DPM, FACFAS

9:00–9:10 am

My Patient is Not a Candidate for a Flap, Now What?

Javier La Fontaine, DPM, MS, FACFAS

9:10–9:20 am

Putting it all together; "Orthoplastics" Limb Salvage Case

Asim Raja, DPM, FACFAS

9:20–9:30 am

Q&A

9:30–10:00 am

Exhibit Hall/CME Break

10:00 am–12:00 Noon

#41. High Energy Trauma

Moderator: *George Tye Liu, DPM, FACFAS*

A demonstrative and illustration rich session guiding the audience through various methods of managing trauma with literature support and emerging concepts. Discussion regarding how to manage high energy traumatic injuries with evidence-based guidance. Surgical pearls and techniques to enhance patient outcomes.

10:00–10:15 am

The Vexing Pilon

Keith D. Cook, DPM, FACFAS

10:15–10:30 am

Calcaneal Joint Depression Fracture Management

Robert A. Probe, MD

10:30–10:45 am

Compartment Syndrome — Diagnosis and Treatment Algorithm

Graham A. Hamilton, DPM, FACFAS

10:45–11:00 am

Talar Neck Fracture Management — Decreasing the Odds of AVN and Post-Traumatic DJD

Justin J. Fleming, DPM, FACFAS

11:00–11:15 am

Going Ballistic — Gunshot Wound Management

Michael A. Gentile, DPM, FACFAS

11:15–11:30 am

Exposing Degloving Injuries

Alan A. MacGill, DPM, FACFAS

11:30 am–12:00 Noon

Q&A

Course Information | Saturday, February 26th

10:00 am–12:00 Noon

#42. Low Energy Trauma

Moderator: Michael D. Dujela, DPM, FACFAS

This is a “Monday Morning” nuts and bolts session that focuses on decision making and tips to determine course of work up, interpretation of findings and implementation of an evidence-based treatment plan. Many members struggle with knowing how to technically perform an operation but not always being so comfortable knowing who needs it. Think of this as a session of evidence-based pathways for common problems that come into the office after a visit to the ER on a weekend.

10:00–10:15 am

Tips and Tricks “Minimally Displaced Intra-articular Hindfoot Fractures”

Mark H. Hofbauer, DPM, FACFAS

10:15–10:30 am

Tips and Tricks “All in on the Jones Fx Repair”

Michelle L. Butterworth, DPM, FACFAS

10:30–10:45 am

Tips and Tricks “Central Metatarsal Fractures”

Michael D. VanPelt, DPM, FACFAS

10:45–11:00 am

Tips and Tricks “Working Through the Subtle Lisfranc-Op vs Non-Op?”

Shane M. Hollawell, DPM, FACFAS

11:00–11:15 am

Tips and Tricks “Acute Peroneal Injuries in Lateral Ankle Sprain — When to Fix, When to Rehab”

Benjamin D. Cullen, DPM, FACFAS

11:15–11:30 am

Working through the Monday Office Ankle Fracture: The Role of Fibular Anatomy in Ankle Fracture and Syndesmosis Disruptions

Sandeep B. Patel, DPM, FACFAS

11:30–11:45 am

Achilles Tendon Rupture: Non-Operative Considerations

Jennifer C. Van, DPM, FACFAS

11:45 am–12:00 Noon

Q&A

#43. Complications That Only Cowgirls Can Fix

Moderator: Amber M. Shane, DPM, FACFAS

Panelists will present and discuss forefoot, reconstructive rearfoot/ankle, and trauma cases that endured complications due to complicating factors and comorbidity.

Panel:

- ★ Danielle N. Butto, DPM, FACFAS
- ★ Thanh L. Dinh, DPM, FACFAS
- ★ Katherine E. Dux, DPM, FACFAS
- ★ Katherine M. Raspovic, DPM, FACFAS
- ★ Mitzi L. Williams, DPM, FACFAS

#44. Interdisciplinary Rodeo: “Takes a Team to Solve This Problem”

Moderator: Aksone Nouvong, DPM, FACFAS

Discuss perioperative management using an interdisciplinary approach to address complex patients undergoing foot and ankle surgery. Different medical specialist will give ten-minute didactics lectures followed by foot and ankle surgeon’s presentation of cases. Questions will be targeted towards the audience and the different medical specialists.

10:00–10:10 am

Do We Have Flow Down Yonder? Vascular Intervention and Pedal Perfusion

David L. Dawson, MD

10:10–10:20 am

Taking the Fussing Out of Pain Management in Opiate Dependent Patients

Garrett D. Starling, MD

10:20–10:30 am

The Wild West of Advanced Medical Imaging, Which Ones Are Best?

Glenn M. Garcia, MD

10:30–10:40 am

Welcome to the Antibiotic Shindig, New Drugs and Fighting Bugs

Bonnie C. Prokesch, MD

10:40–10:50 am

What’s with All the Ruckus Up There? Patient Optimization and Anesthesia Complications

Garrett D. Starling, MD

10:50–11:00 am

The No Bull Approach to Minimizing Pre-op Risk Factors for Non-union

Stephen A. Brigido, DPM, FACFAS

11:00–11:50 am

Case Report

11:50 am–12:00 Noon

Q&A

12:00 Noon–2:00 pm

Lunch in the Exhibit Hall

Course Information | Saturday, February 26th

2:00-3:30 pm

#45. Everyday Pediatrics

Moderator: Mitzi L. Williams, DPM, FACFAS

Speakers will present on congenital complex foot and ankle deformities such as Talipes Equinovarus, Vertical Talus, and Tarsal Coalitions. We will encompass approaches to care in a child's life from infancy to possible recurrences throughout development. Speakers will also highlight approaches to a pediatric neurologic exam and the influence neuromuscular disease has on deformities. Outside of congenital deformities, management of pediatric trauma will be discussed.

2:00-2:15 pm

Congenital Clubfoot

Matthew B. Dobbs, MD, FACS

2:15-2:30 pm

Pediatric HAV

Paul D. Dayton, DPM, MS, FACFAS

2:30-2:45 pm

The World of Coalitions

Mitzi L. Williams, DPM, FACFAS

2:45-3:00 pm

Congenital Vertical Talus

Matthew B. Dobbs, MD, FACS

3:00-3:15 pm

Transitional Ankle Fractures

Peter J. Apel, MD, PhD

3:15-3:30 pm

Pediatric Equinus Management

Michael S. Downey, DPM, FACFAS

#46. Controversies in Total Ankle Arthroplasty: "Let Us Debate Over It!"

Moderator: Naohiro Shibuya, DPM, MS, FACFAS

Through difficult cases, the audience is to learn how to avoid troubles in not-so-straightforward TAR cases.

PSI vs. No PSI

Thomas S. Roukis, DPM, PhD, FACFAS vs. Christopher F. Hyer, DPM, MS, FACFAS

Lateral Approach vs. Anterior Approach

Lawrence A. DiDomenico, DPM, FACFAS vs. Benjamin D. Overley, Jr., DPM, FACFAS

Mobile Bearing vs. Fixed Bearing

James M. Cottom, DPM, FACFAS vs. Thomas S. Roukis, DPM, PhD, FACFAS

Chamfer Cut vs. Flattop Cut

Shannon M. Rush, DPM, FACFAS vs. Benjamin D. Overley, Jr., DPM, FACFAS

Early ROM vs. Protected ROM

Shannon M. Rush, DPM, FACFAS vs. Lawrence A. DiDomenico, DPM, FACFAS

Revision with Fusion vs. Revision with Another Implant

Shannon M. Rush, DPM, FACFAS vs. Jason R. Miller, DPM, FACFAS

#47. Scoping Out the Scope of Scopes: "Do I Really Need to Open This?"

Moderator: Kyle C. Fiala, DPM, FACFAS

Faculty will present cases and debate treatment options, highlighting indications, contraindications, techniques, tips, pearls, and complications.

2:00-2:15 pm

Ankle Arthrodesis

Michael S. Lee, DPM, FACFAS

2:15-2:30 pm

Ankle/Hindfoot Trauma

Mark A. Hardy, DPM, FACFAS

2:30-2:45 pm

Ankle Instability

Jeffrey E. McAlister, DPM, FACFAS

2:45-3:00 pm

Large Talar OCD

Brett D. Sachs, DPM, FACFAS

3:00-3:15 pm

Posterior Ankle Pathology

Michael H. Theodoulou, DPM, FACFAS

3:15-3:30 pm

Q&A

#48. How I Woke Up from Hammertoe Nightmare

Moderator: Amber M. Shane, DPM, FACFAS

- Case Discussions
- MIS vs. Open
- K-wire vs. implant
- Swelling of the toe
- Floating Toe
- Infection
- Revision-short toe, bone grafting
- Neuromuscular issues

Panelists:

- ★ Adam M. Budny, DPM, FACFAS
- ★ Michael J. Cornelison, DPM, FACFAS
- ★ Benjamin D. Cullen, DPM, FACFAS
- ★ Michael W. Downey, DPM, FACFAS
- ★ Scott C. Nelson, DPM, FACFAS
- ★ Barry I. Rosenblum, DPM, FACFAS

3:30-4:00 pm

Break/Scan for CME

Course Information | Saturday, February 26th

4:00–6:00 pm

#49. This Is My Post-op Protocol and Why It Scientifically Makes Sense!

Moderator: Barry I. Rosenblum, DPM, FACFAS
The audience will construct or adjust their post-operative protocols based on faculty's information backed by EMB.

4:00–4:20 pm

Post OCD Repair

Kyle C. Fiala, DPM, FACFAS

4:20–4:40 pm

Lapidus

Sandeep B. Patel, DPM, FACFAS

4:40–5:00 pm

First MPJ Fusion

Kyle S. Peterson, DPM, FACFAS

5:00–5:20 pm

Ankle ORIF

David R. Collman, DPM, FACFAS

5:20–5:40 pm

Retro Calcaneal

Brian J. Burgess, DPM, FACFAS

5:40–6:00 pm

Q&A

#50. OCD Beyond Microfracture

Moderator: Alan Ng, DPM, FACFAS

In depth coverage of new and emerging topics in the treatment of talar OCDs.

4:00–4:20 pm

Is Microfracture Still the Gold Standard?

Richard Derner, DPM, FACFAS

4:20–4:40 pm

Future of Regenerative Medicine — Role for Biologics

Stephen A. Brigido, DPM, FACFAS

4:40–5:00 pm

Is Osteotomy Needed Anymore?

Shane M. Hollawell, DPM, FACFAS

5:00–5:20 pm

Allograft vs. Autograft — Is There a Difference?

Glenn M. Weinraub, DPM, FACFAS

5:20–5:40 pm

Does Size and Location Matter?

Ronald G. Ray, DPM, FACFAS

5:40–6:00 pm

Complications — Salvage/Revision Options

Christopher F. Hyer, DPM, MS, FACFAS

#51. Tumors of the Foot and Ankle

Moderator: D. Scot Malay, DPM, MSCE, FACFAS

Diagnosis, imaging, and management of foot and ankle tumors.

4:00–4:20 pm

Should I Get an MRI/Advanced Imaging for Every Foot and Ankle Soft Tissue Mass?

Alexandra K. Callan, MD

4:20–4:40 pm

Is This Bone Tumor Benign or Bad? Using Advanced Imaging to Make a Diagnosis

Glenn M. Garcia, MD

4:40–5:00 pm

Surgical Biopsy 101; What You Need to Do and What You Shouldn't Do/Should Never Do

Alexandra K. Callan, MD

5:00–5:20 pm

Case Presentation and Panel Discussion: Bone

Jacob Wynes, DPM, MS, FACFAS

5:20–5:40 pm

Case Presentation: Soft Tissue

Aksone Nouvong, DPM, FACFAS

5:40–6:00 pm

Q&A

2:00–6:00 pm

#52. MSK Ultrasound Workshop Repeat (\$200)

Moderator: Albert Song, MD, Anup Alexander, MD

Faculty:

📍 Kelly M. Pirozzi, DPM, FACFAS
📍 Asim Raja, DPM, FACFAS

#53. Flaps Workshop (\$200)

Moderator: Byron L. Hutchinson, DPM, FACFAS

Faculty:

📍 Philip Basile, DPM, FACFAS
📍 Paul J. Kim, DPM, MS, FACFAS
📍 Jason V. Naldo, DPM, FACFAS
📍 Caitlin S. Zarick, DPM, FACFAS

6:30 pm

Wrap Party (\$65)

Join us to close out ACFAS 2022 in style at the Lustre Pearl, one of Austin's most popular musical venues. Celebrate with your fellow colleagues for one last evening in the Lone Star State.

Course Information | Sunday, February 27th

8:00-10:00 am

#54. Recovery from the Depths of Despair: Rearfoot and Ankle Bail-Out Strategies

Moderator: *Graham A. Hamilton, DPM, FACFAS*

Gain further insight into various fixation strategies for successful foot/ankle reconstruction while developing an understanding of the potential consequences and pitfalls associated with various procedures. Engage in critical appraisal of current technology and if this has surpassed more traditional means of performing these procedures.

8:00-8:15 am

The Best Laid Plans: When a Simple Ankle Fracture is NOT as it Appears

Michael W. Downey, DPM, FACFAS

8:15-8:30 am

Leave it In or Take it Out? Management of Retained Hardware

Andrew J. Meyr, DPM, FACFAS

8:30-8:45 am

Navicular Nightmares: From Nonunion to Avascular Necrosis

Garrett M. Wobst, DPM, FACFAS

8:45-9:00 am

First Revision and Still Not Healed: Ankle Fracture Nonunion

#55. Recovery from the Depths of Despair: Forefoot Bail-Out Strategies

Moderator: *William T. DeCarbo, DPM, FACFAS*

Learn how to deal with different challenging forefoot complication situations. Join our panel as they share their case complications.

Panel:

- 👤 Luke D. Cicchinelli, DPM, FACFAS
- 👤 Michael J. Cornelison, DPM, FACFAS
- 👤 Daniel J. Hatch, DPM, FACFAS
- 👤 Laurence G. Rubin, DPM, FACFAS

Learning Objectives

Attendees of the American College of Foot and Ankle Surgeons Annual Scientific Conference will be able to:

Understand deformities of the foot and ankle that cause functional abnormalities and pain.

The panel of experts will review clinical diagnosis and the surgical management of the pediatric and the adult flatfoot and cavus foot. Operative interventions will be discussed including procedure selection and description of the accepted techniques. Pitfalls and complications of deformity correction will be discussed.

Appreciate the medical conditions leading to pathology in the foot and ankle.

The attendee will appreciate the underlying systemic diseases that affect planning and outcomes of surgical intervention. The attendee will identify common manifestations of systemic diseases in the lower extremity as well as understand how to prevent the complications related to these systemic diseases.

Evaluate and treat.

The attendee will become familiar with the clinical criteria used to evaluate and treat forefoot, midfoot, rearfoot, and ankle pathologies. Conservative and surgical treatments will be based on evidence-based literature and clinical knowledge provided from expert panels.

Utilize evidence-based guidelines on reducing operative complications.

The attendee will learn risk factors for undesirable outcomes in foot and ankle surgeries. The expert will discuss how those risk factors can apply to different patient populations.

Understand pathologies leading to foot and ankle pain and deformity.

The attendee will learn systematic approaches for evaluation of foot and ankle deformity as well as understand concomitant pathomechanics. The selection of diagnostic imaging modalities and how these studies influence the treatment method will be discussed. The content experts will review the trending research to help guide best standards of practice.

Treat traumatic injuries of the foot and ankle.

The attendee will recognize the various traumatic injuries and fractures that occur in the foot and ankle. The panel of experts will discuss diagnostic studies, surgical planning, surgical technique, and rehabilitation practices to manage these injuries.

Understand best practice guidelines and accepted practices.

Based on the clinical experiences of the panel of experts and the conclusions of the medical literature, the attendee will become familiar with optimal management strategies of foot and ankle conditions. The experts will discuss the current guidelines and consensus and explain how to apply them in a daily clinical practice.

Recognize pediatric deformities presenting in the foot and ankle.

The attendee will recognize common of pediatric foot and ankle deformities. Clinical diagnosis, proper selection of surgical procedures, and timing and techniques will be emphasized to demonstrate proper management of pediatric foot and ankle pathologies.

Examine the role of imaging in diagnosing foot and ankle conditions.

The attendee will examine the available imaging studies to effectively evaluate foot and ankle abnormalities and treatment planning. Manage patient cases involving staging principles, positioning, and fluoroscopy methods.

Develop and refine surgical acumen and skills through lectures and workshops.

Attendees will learn surgical techniques through hands-on workshops emphasizing tissue handling, use of latest implant, and prevention of complications guided by experts in the field.

Establish ethical practices.

The attendee will be exposed to common ethical considerations relating to the practice of medicine and understand the multifaceted nature of the doctor-patient relationship. The changing landscape of healthcare with the influence of e-visits, social media, healthcare policy, and digitalization of medical records will be discussed.

How to Register

	ONLINE (Preferred)
	FAX
	MAIL

Visit acfas.org/Austin
Members/Non-Members
Use your ACFAS username and password

Complete the registration form and fax with full payment to **773.693.9304** or **800.382.8270**

Complete the registration form and mail with full payment to:
ACFAS 2021 Annual Conference
8725 West Higgins Road, #555
Chicago, IL 60631

Payment via Check, American Express, MasterCard, Visa.
Note: Your registration confirmation will be e-mailed.

Cancellation Policy Deadline is January 31, 2022. Cancellation requests must be submitted in writing to hjelm@acfas.org to receive a refund less a \$100 administrative fee. No refunds will be provided after this date. Exceptions will be considered for extenuating circumstances only, such as medical issues or a death in the family.

Attendees with Special Needs/ Koshers Meal Requests If you have special needs addressed by the Americans with Disabilities Act, or special dietary needs, notify the ACFAS at the time you register. Phone: **800.421.2237**; e-mail: hjelm@acfas.org. Kosher lunches will not be available unless requested by January 31, 2022. Be sure to check the box on Page 1 of the Registration Form.

Special Categories Online registration is NOT available. Submit completed registration form without payment and any required forms via e-mail to registration@acfas.org, fax to **800.382.8270** or by mail. Once your registration is approved you will be notified and a link for payment will be provided.

Non-ACFAS Member Residents can register online but must submit a letter (on letterhead) from their Residency Director verifying their Resident status.

Students can register online but must submit a copy of their student ID card.

Active U.S. Military cannot register online to receive the discounted rate. Include a photocopy of your military ID with your registration form.

U.S. Allied Health RN, LPN, PA, PA-C, ATC, CST, OTC, DPT, PT, working in a podiatry practice or institution providing hands-on patient care **must submit** a copy of current medical license and a signed and currently dated letter of sponsorship from your employing physician or institution.

U.S. Podiatry Practice Staff working in a podiatry practice or institution and providing patient services — practice administrator, office manager, office assistant, medical records and insurance billing and coding staff — **must submit** a signed and currently dated letter of sponsorship from your employing physician or institution on practice letterhead stating you are currently employed, role in the practice and reason for attending the conference. (This category *does not include* physicians, scientists, researchers/PhD, purchasers, CEO, COO, director level titles, industry representatives, marketers, public media personnel.)

Commercial Representatives (non-exhibiting Industry) New, potential exhibitors (one-time registration only) may register a maximum of two representatives from a non-exhibiting commercial company to view the exhibit hall under the “Commercial Representative” category. Online registration is not available; College approval is required. For further details regarding this registration category, contact Maggie Hjelm at hjelm@acfas.org.

Family Badges are available for spouses (non-physician) and/or children 14 years and older. Includes Opening Reception and admittance to Exhibit Hall (breaks/lunch).

Annual Scientific Conference Registration Form

February 24-27, 2022 | Austin Convention Center | Austin, Texas

**American College of
Foot and Ankle Surgeons®**

Proven leaders. Lifelong learners. Changing lives.

Please select the sessions you would like to attend below.

Thursday, Feb. 24

7:30-8:30 a.m.

- #1: Techniques in 2nd MPJ Surgery
- #2: How I Evolved in my Practice: "I'd Never Go Back to That Again!"

8:45-10:00 a.m.

- #3: Opening General Session

10:30 a.m.- 12:00 p.m.

- #4: International HAV Symposium
- #5: You CAN Handle the Truth: Medical Legal Discussion
- #6: Can You Handle the Infection?
- #7: How to Handle the Ankle Instabilities

2:00-3:30 p.m.

- #8: International Sports Medicine Symposium
- #9: Taming the Tendon: Tendon Transfer Techniques
- #10: Cavus Foot: Beyond the Familiar Treatment Algorithm
- #11: Stand Out or Fit In?: "I Might Be a Minority But Science Is Not Democracy!"
- #12: Military Session

4:00-6:00 p.m.

- #13: Hot Topics in the Field of Foot and Ankle Surgery: The Cost of Effectiveness and the Effectiveness of Cost
- #14: Next Level Ankle Fracture
- #15: Limb Salvage Rodeo!

2:00-6:00 p.m.

- #16: Minimally Invasive Surgery Workshop (Cadaveric) (\$250)
- #17: Medial and Lateral Ankle Ligament Instability Workshop (Cadaveric) (\$250)

Friday, Feb. 25

7:30-9:30 a.m.

- #18: Controversies in First Ray Surgeries
- #19: Decision-making Process in Flatfoot Reconstruction
- #20: All the Imaging Techniques, as Big as Texas
- #21: Surgery That Went South...Deep South
- #22: PICA

10:00 a.m.-12:00 p.m.

- #23: Latest in Rearfoot Surgery
- #24: Latest in Ankle Surgery
- #25: Latest in High-Risk Foot and Ankle Surgery
- #26: Latest in Forefoot Surgery

2:00-3:30 p.m.

- #27: Past Presidents' Presidential Debate
- #28: Revisiting Ankle Arthrodesis
- #29: Operating Theatre: Surgical Demonstration of 2022
- #30: Nerve Related Issues in the Lower Extremity

4:00-6:00 p.m.

- #31: Common Pathologies in Athletic Patients
- #32: A New Age: Literature Supported Uses of Regenerative Medicine Products
- #33: Hellux Rigidus/Limitus Update
- #34: The Magnificent Midfoot: Success in the Face of Adversity

2:00-6:00 p.m.

- #35: Ankle Fracture Workshop (Cadaveric) (\$250)
- #36: MSK Ultrasound Workshop (\$200)

Saturday, Feb. 26

7:30-9:30 a.m.

- #37: Exfix Is Not Just an Expensive Cast
- #38: MIS is Not Just About Smaller Incisions

7:30-8:30 a.m. (1 hr.)

- #39: Endoscopy: Scope Is Not Just for Intra-articular Pathologies

8:30-9:30 a.m. (1 hr.)

- #40: Orthoplastics Is Not Just a Trend

10:00 a.m.-12:00 p.m.

- #41: High Energy Trauma
- #42: Low Energy Trauma
- #43: Complications That Only Cowgirls Can Fix
- #44: Interdisciplinary Rodeo: "Takes a Team to Solve This Problem"

2:00-3:30 p.m.

- #45: Everyday Pediatrics
- #46: Controversies in Total Ankle Arthroplasty: "Let Us Debate Over It"
- #47: Scoping Out the Scope of Scopes: "Do I Really Need to Open This?"
- #48: How I Woke Up from Hammertoe Nightmare

4:00-6:00 p.m.

- #49: This Is My Post-Op Protocol and Why it Scientifically Makes Sense!
- #50: OCD Beyond Microfracture
- #51: Tumors of the Foot and Ankle

2:00-6:00 p.m.

- #52: MSK Ultrasound Workshop (\$200)
- #53: Flaps Workshop (\$200)

7:00 p.m.

- Wrap Party (Tickets at \$65 each)
No. of tickets: _____

Sunday, Feb. 27

8:00-10:00 a.m.

- #54: Recovery from the Depths of Despair: Rearfoot and Ankle Bail-Out Strategies

10:15 a.m.-12:15 p.m.

- #55: Recovery from the Depths of Despair: Forefoot Bail-Out Strategies

In order to verify your attendance at this conference and for CME credit you must select one session number in a time block by checking the appropriate box. **Do not check multiple session numbers for a time block or check overlapping sessions.**

Disclaimer

The ACFAS Annual Scientific Conference is made available as an educational service to its members and other members of the medical profession. ACFAS has not independently evaluated the content or techniques discussed or demonstrated by any faculty member. ACFAS does not warrant or endorse any content or technique discussed or demonstrated by any faculty member. Statements about commercial products are solely the opinion(s) of the presenter(s) and do not represent a College endorsement or evaluation of these products. Additionally, any instrumentation shown/demonstrated during this program may or may not have received FDA approval.

Photographs/Videos

Audio/video taping or recording or photographing of sessions is prohibited.

ACFAS routinely takes photos or video of participants in meetings and other conference venues for news and other purposes. By registering for the conference, you grant ACFAS permission to utilize photos of you taken at the conference for ACFAS purposes.

Tax Deduction for Education Purposes

In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals, and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5; *Coughlin v. Commissioner*, 203 F.2d 307 (2d Cir.1953)).

Conditions of Registration and Attendance

To protect the rights of our exhibitors and the value of our exhibit space, the ACFAS Annual Scientific Conference and the meeting space in which ACFAS events are conducted are not to be used as a venue for marketing products, services, meetings, publications, sponsorships, or memberships except for authorized organizations that purchase exhibit space. Any non-exhibitor found to be in violation of this policy shall be invoiced the fee for one exhibit booth and shall not be admitted to the exhibit hall until such fee is paid in full regardless of membership status.

ACFAS reserves the right to regulate the use of all hotel space in which ACFAS events are conducted, including but not limited to the distribution of promotional materials to guest or meeting rooms. Meeting rooms and hospitality suites may be available for rental by exhibitors and/

or organizations authorized by ACFAS. Speakers are requested not to promote non-ACFAS programs since the College cannot attest to the content or quality of such events and such promotion could be interpreted as an endorsement of said event(s). ACFAS reserves exclusive right to modify, postpone/reschedule or cancel programs for any reason, including but not limited to emergency, inclement weather, or other 'acts of God.' Every attempt will be made to reschedule and registration fees will be applied to the rescheduled event date. Any travel, lodging, or incidental expenses incurred cannot be refunded by ACFAS under any circumstance. You may wish to consider personal travel insurance for such expenses. If a canceled event cannot be rescheduled, ACFAS will determine an equitable basis for the refund of a portion, or all, of the registration fee.

Note: Program content and faculty are subject to change.

Board of Directors

First row (l-r): Eric A. Barp, DPM, FACFAS Secretary/Treasurer; Michael J. Cornelison, DPM, FACFAS, President Elect; Thanh L. Dinh, DPM, FACFAS, President; Scott C. Nelson, DPM, FACFAS; Immediate Past President

Second row (l-r): Christopher D. Lotufo, DPM, FACFAS; George Tye Liu, DPM, FACFAS; Matthew E. Williams, DPM, FACFAS; Alan Ng, DPM, FACFAS; Barry I. Rosenblum, DPM, FACFAS; Alan A. MacGill, DPM, FACFAS; Andrew J. Meyr, DPM, FACFAS; Patrick (PJ) Andrus, MBA, CAE, Executive Director
